PRIDE IS WHAT WE'RE ALL ABOUT

. . . Showing it . . .

Pride Is What We're All About

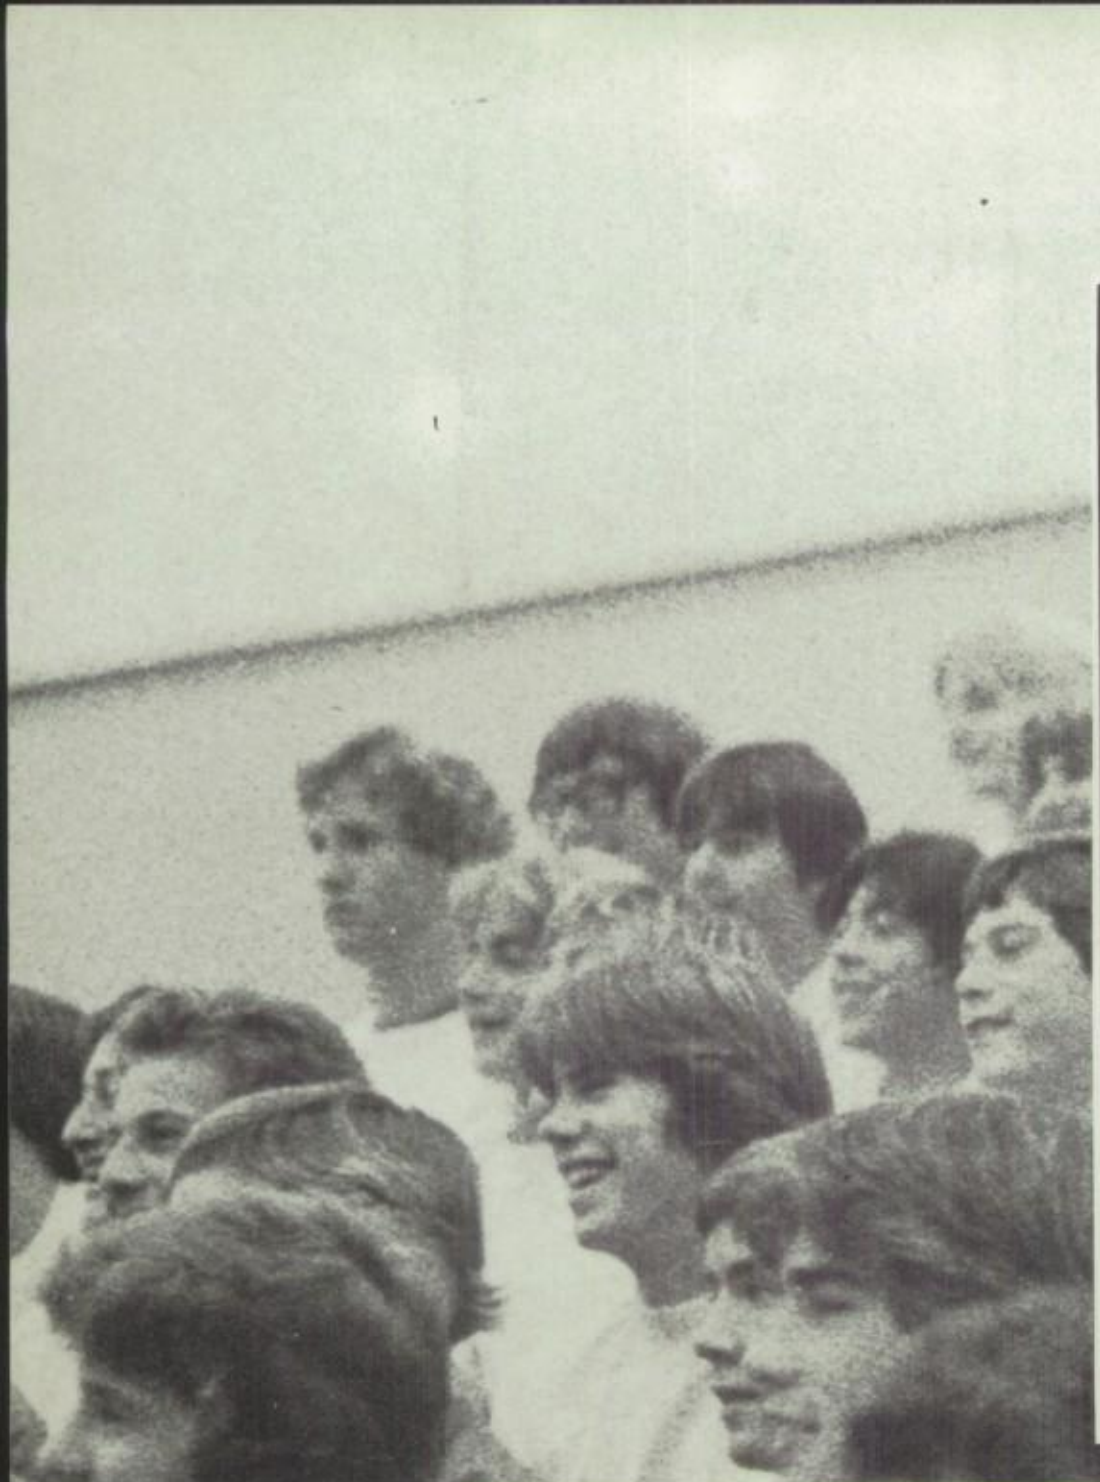
Throughout the four years at Jesuit one word is constantly stressed, pride. Pride is the focal point of our daily affairs. It is reflected in our athletics, our academics, our relationship with God and is seen in our concern for the community. Pride is why we're here at Jesuit. Pride is exhibited in a wild, spirited cheering section as well as in the long, lonely hours spent helping victims of cerebral palsey. Pride is felt on the playing field as well as in the classroom, at our rallies, and in our clubs, while praying and while teaching others. Jesuit pride is knowing that you belong to a community, the best community this area has to offer. It's knowing that here lasting friendships and strong bonds of unity are being formed. It's a feeling of worthwhile accomplishment, both public and private. Pride is manifested in many ways. Pride is . . .

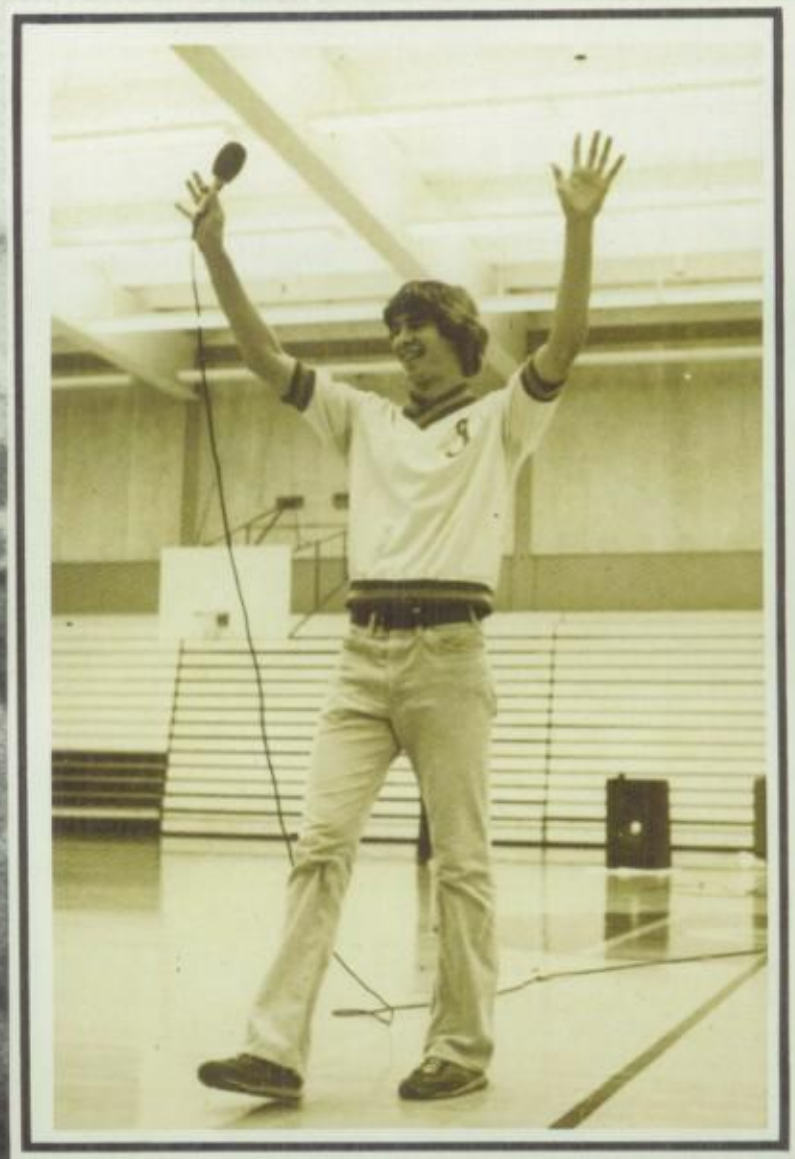
. . . Knowing you're the BEST . . .

. . . Helping others . . .

. . . Demonstrating an awesome spirit . . .

. . . A relaxed atmosphere . . .



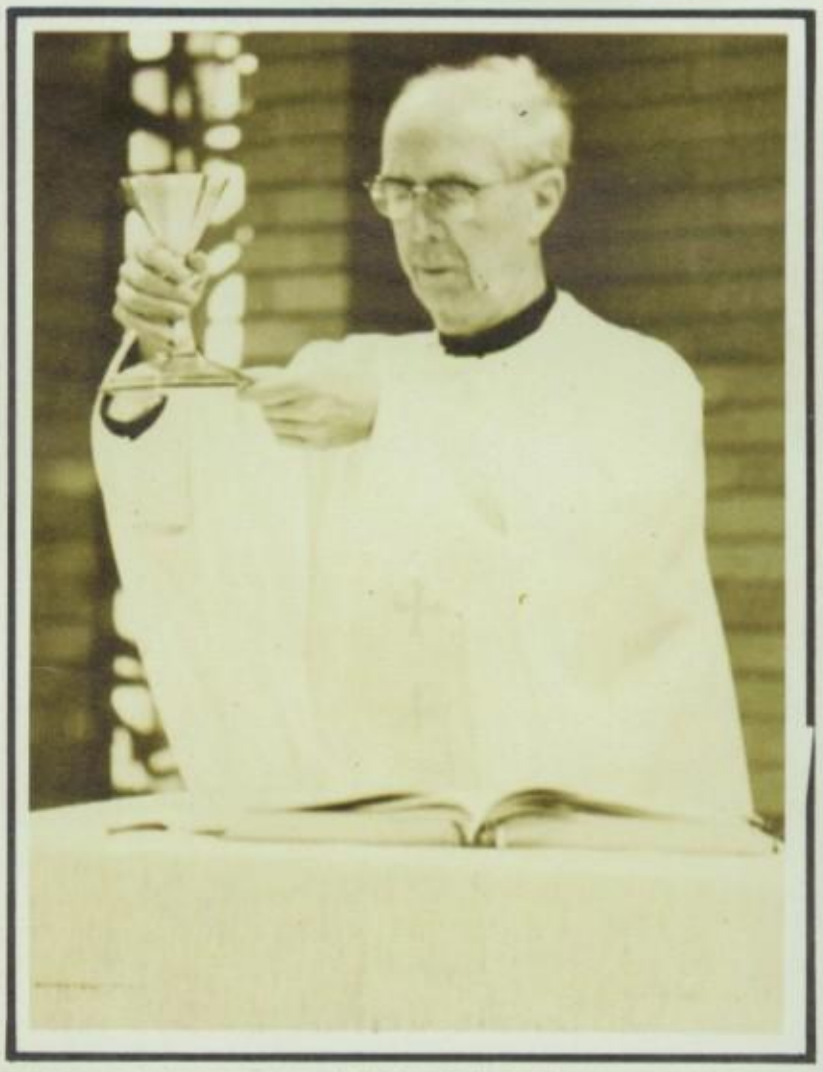


. . . Leadership . . .

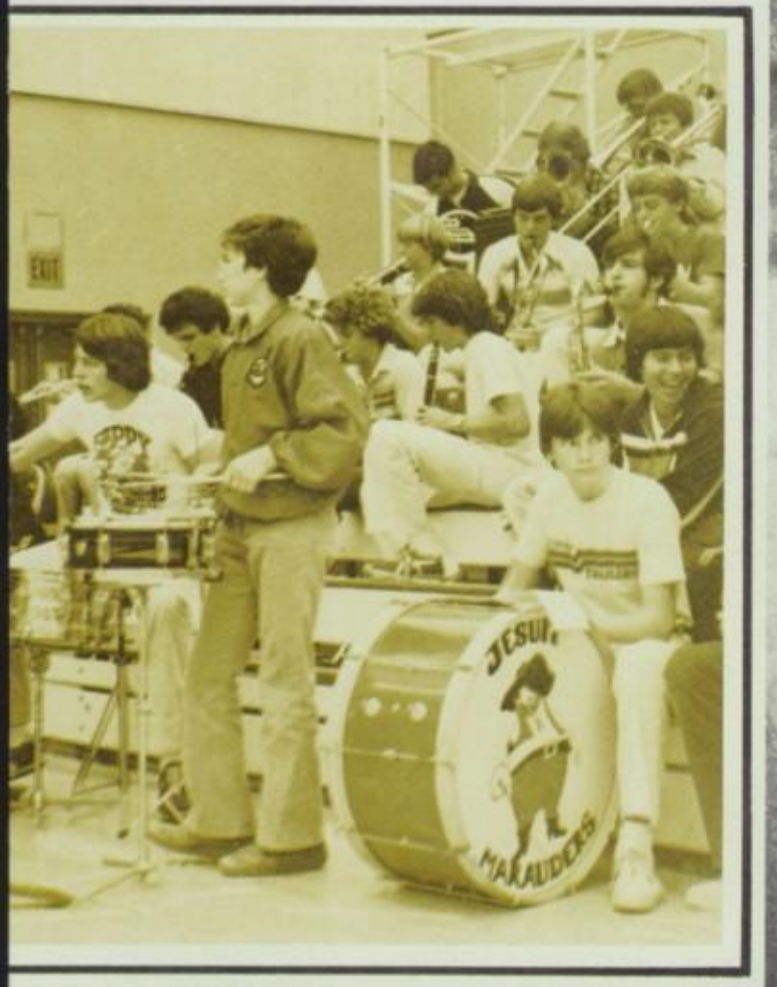
. . . Trying to learn . . .

Pride is the single most important facet of our experience here at Jesuit. That is what this book is all about . . .

. . . Wasting time . . .



Showing our faith . . .



Working together . . .

Dedication: Mr. David Novak

This year's Cutlass staff had no trouble deciding to whom this book should be dedicated. The unanimous choice was Mr. David Novak.

Having graduated from the University of Santa Clara and previously having attended Brophy College Prep. in Phoenix, Arizona, he was well prepared for the Jesuit experience. Dave Novak arrived at Jesuit in 1974.

During his career here, he has managed to keep up a level of involvement that remains unequalled. In addition to teaching Algebra I and II, Analytic Geometry and Trigonometry classes (complete with K.B. Days, no-fault Trig Insurance, and the infamous Duh Army), Mr. Novak consistently turns out league-winning teams as Jesuit's Varsity Baseball coach.

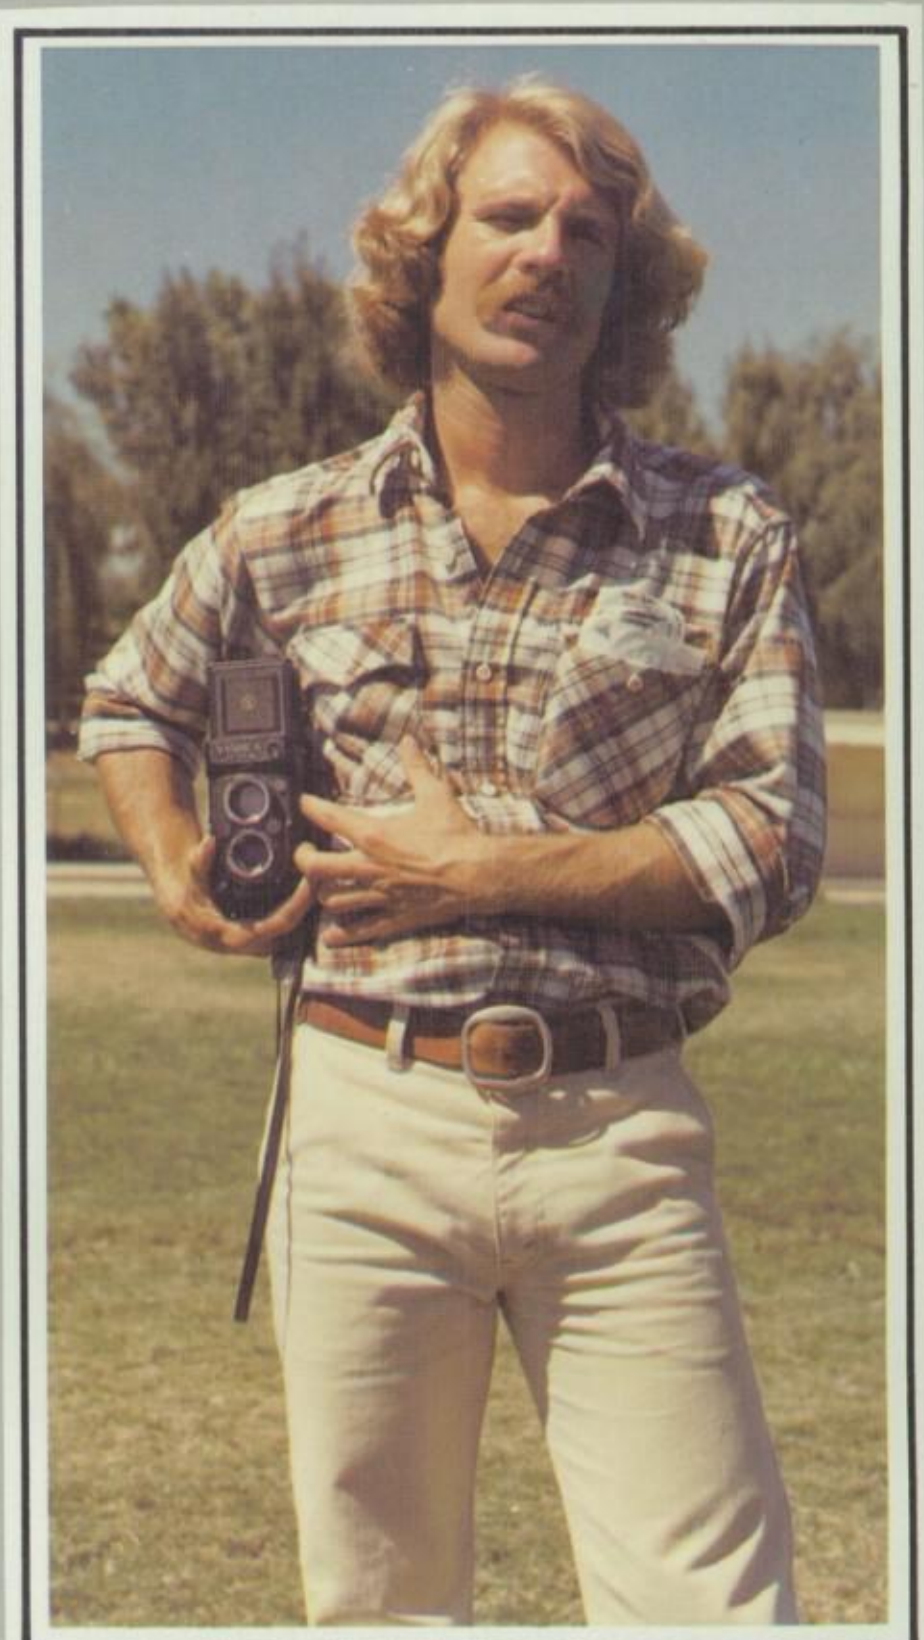
Included in Mr. Novak's long list of accomplishments here at Jesuit is the fact that he has for the past two years organized and spearheaded Spirit Week and Homecoming.

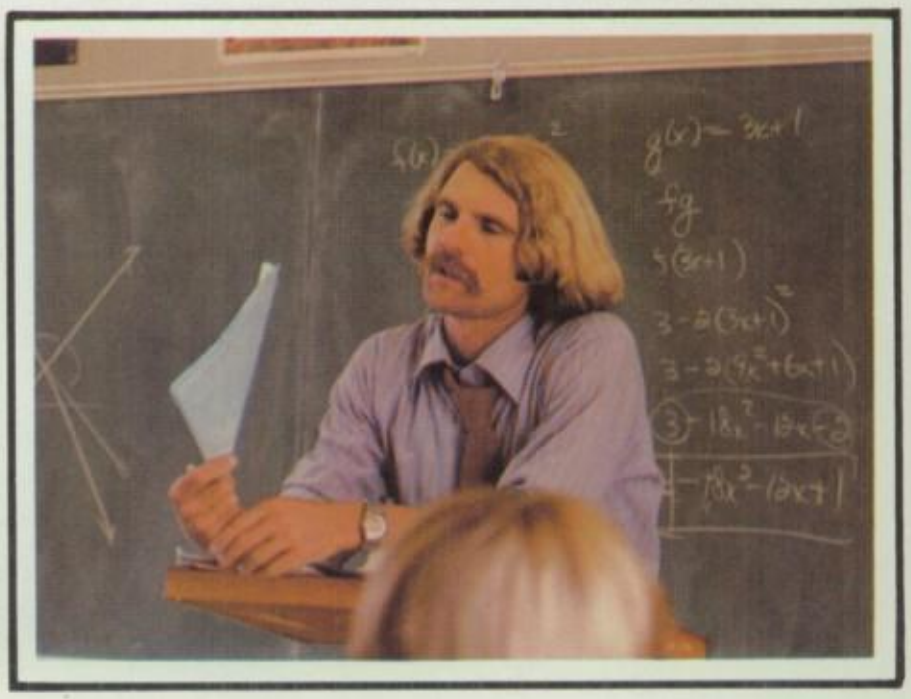
For the past three years, Dave Novak has been moderator of the Cutlass. His imaginative layouts and humor have made these books some of the most memorable.

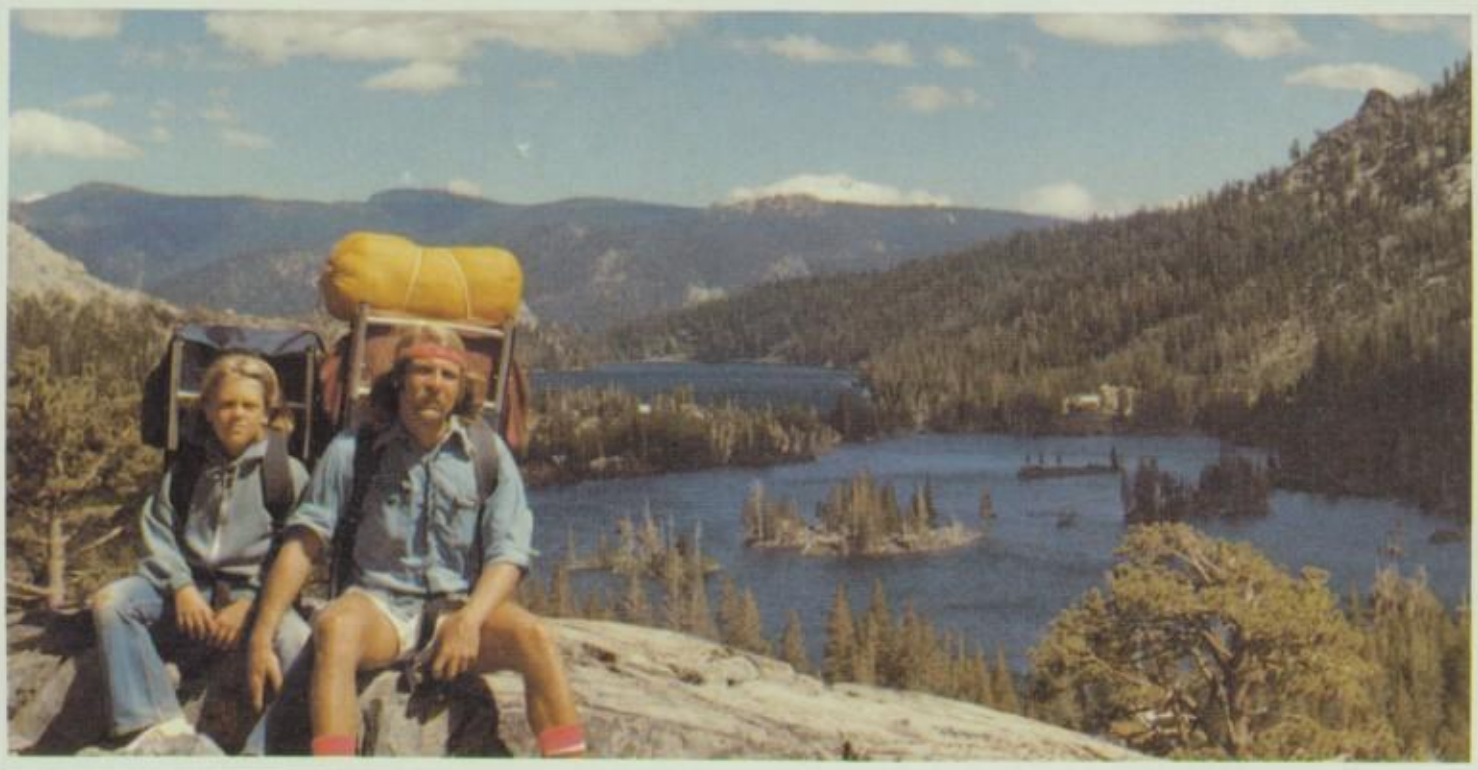
Away from Jesuit, Mr. Novak makes it a point to spend as much time as possible with his son, David. Both father and son enjoy backpacking, cycling and soccer.

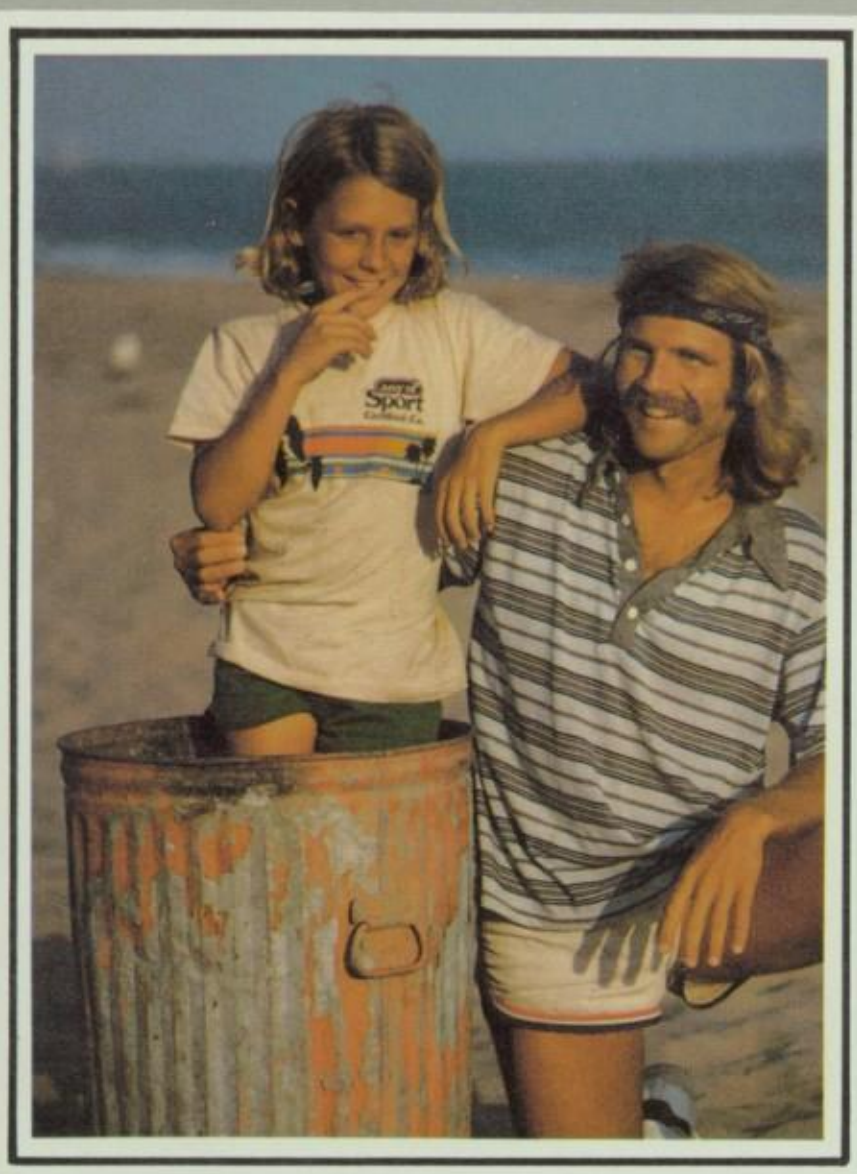
Dave Novak is a highly motivated and versatile man. The students and faculty of Jesuit feel a certain pride knowing that he is a part of the Jesuit Community.

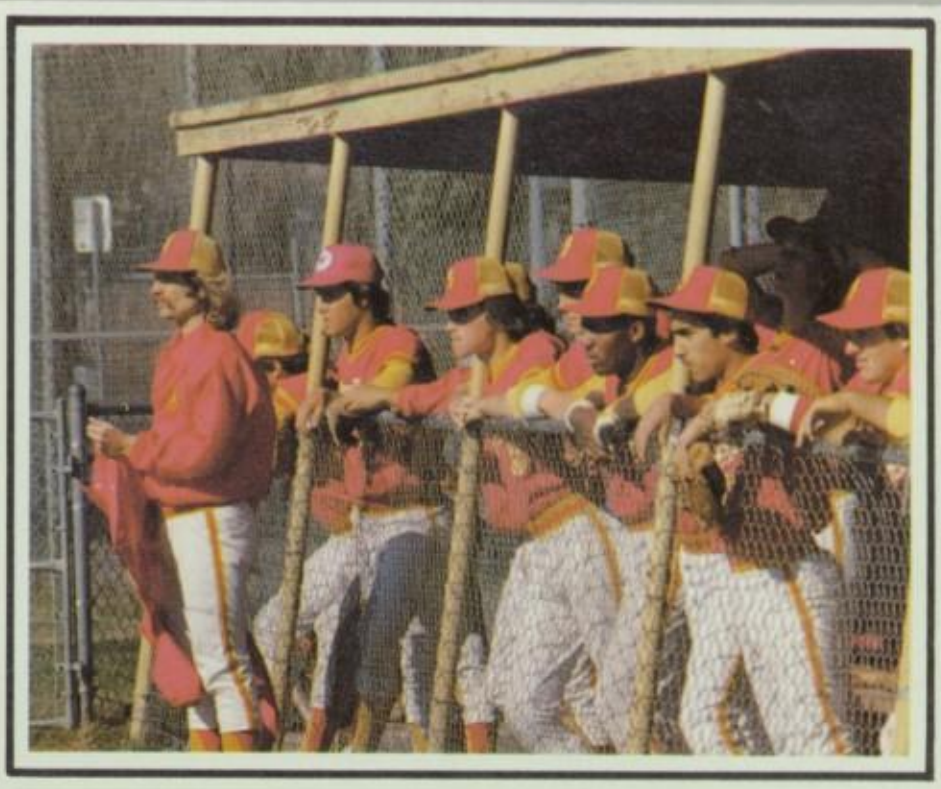
We dedicate this book proudly to Mr. David Novak, a man truly responsible for building up and exemplifying Jesuit Pride.









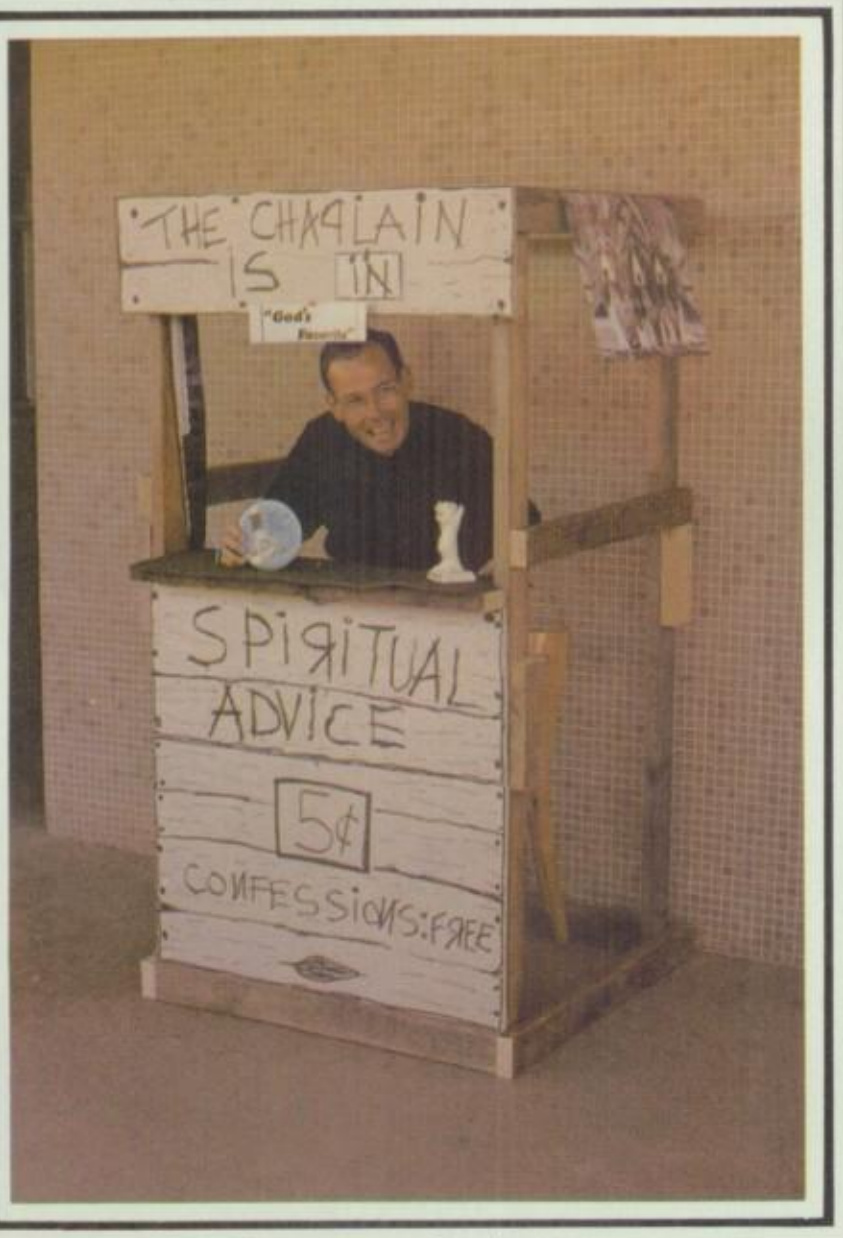


ACTIVITIES

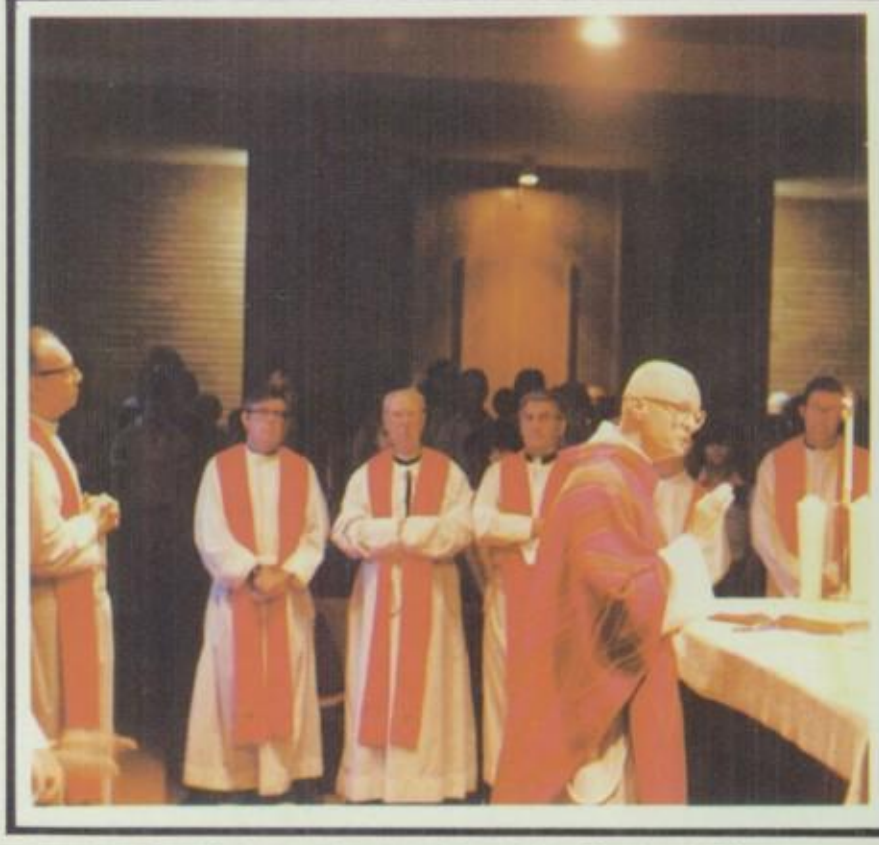
Spiritual Activities Nurture Growth

The spiritual nature of Jesuit is the point around which we focus our lifestyle. The opportunities for spiritual growth are numerous. Besides daily noon Masses, Reconciliation Services, Knights of the Altar, Days of Recollection, or one of Fr. Carroll's many prayer groups, students can also participate in the frequent Student-Faculty Masses.

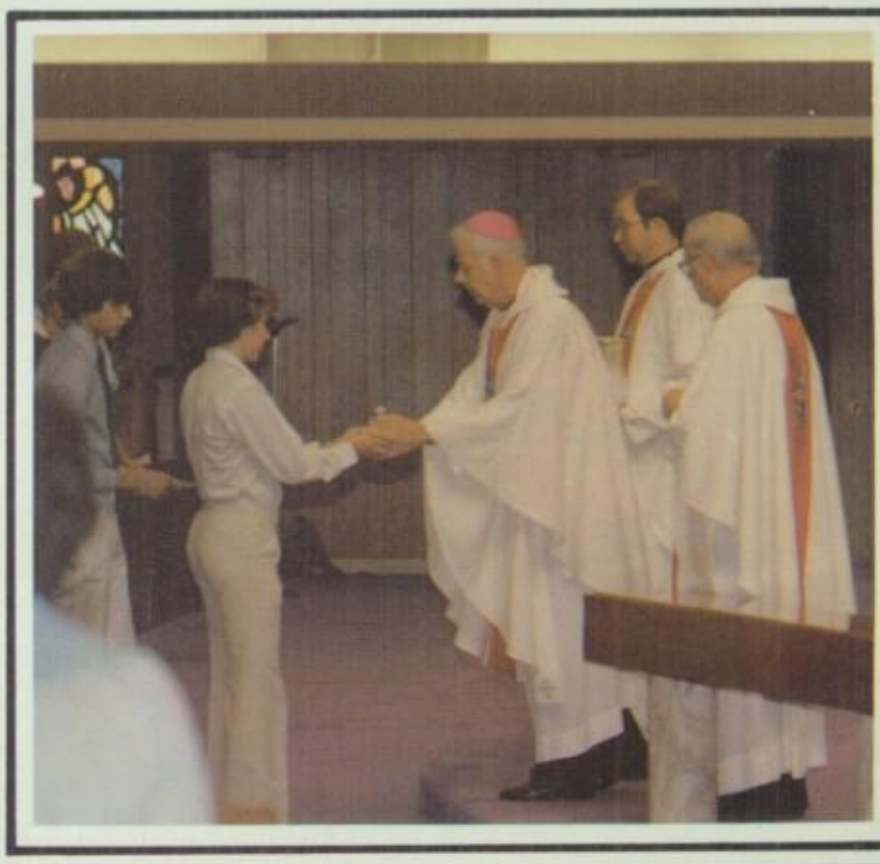
Another of the very special spiritual experiences at Jesuit are the Senior Retreats at Applegate, the province villa for the California Jesuits. From the Mass of the Holy Spirit to Eastern Religions a la Jim Peth, there is ample opportunity to become involved in Jesuit's special spiritual nature.



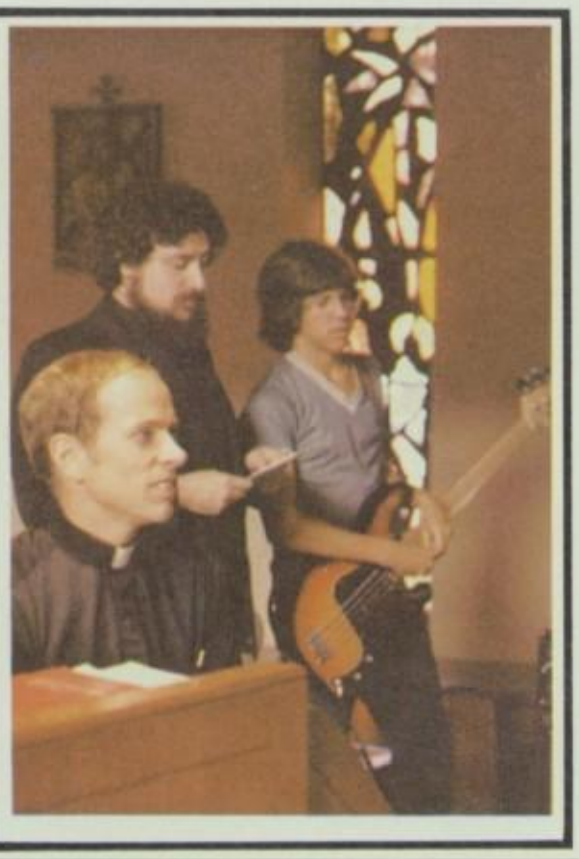
Fr. Flynn opens for business.



Fr. Griffin preaches at Faculty-Student Mass.

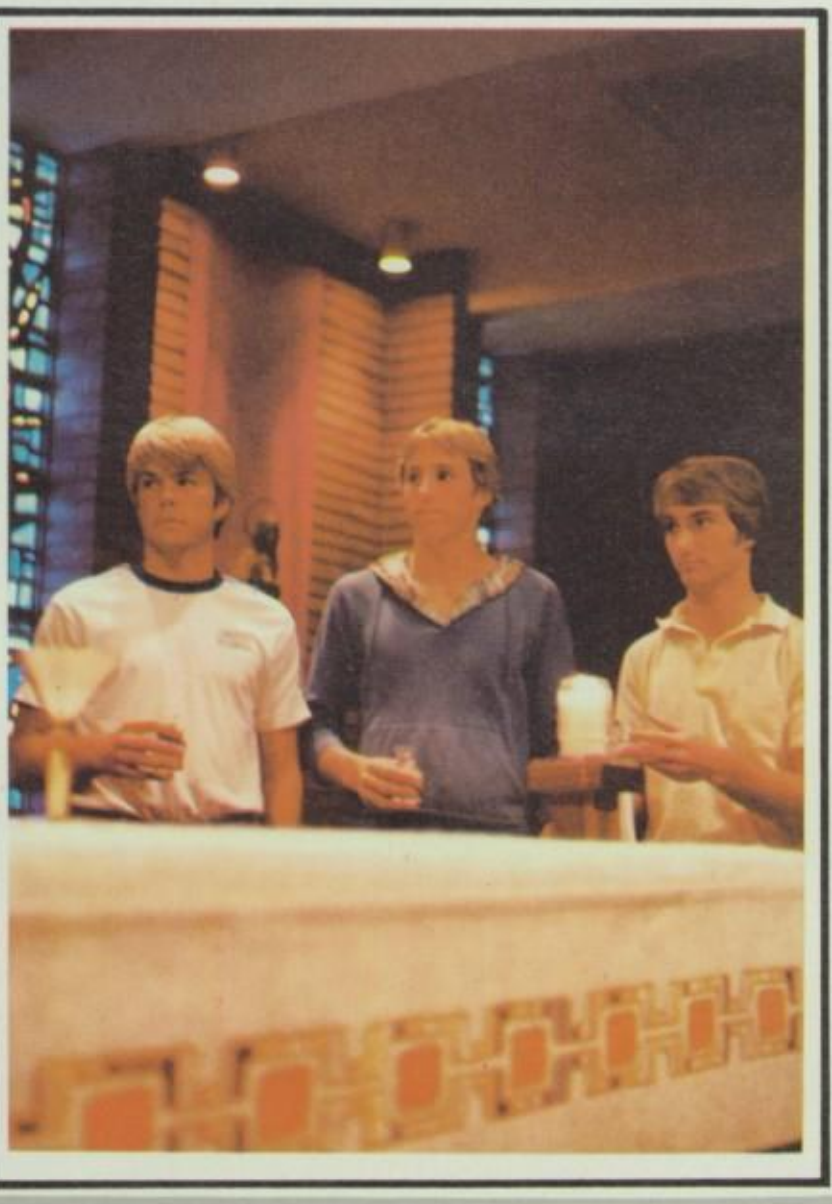


Bishop Quinn celebrates Mass of the Holy Spirit.

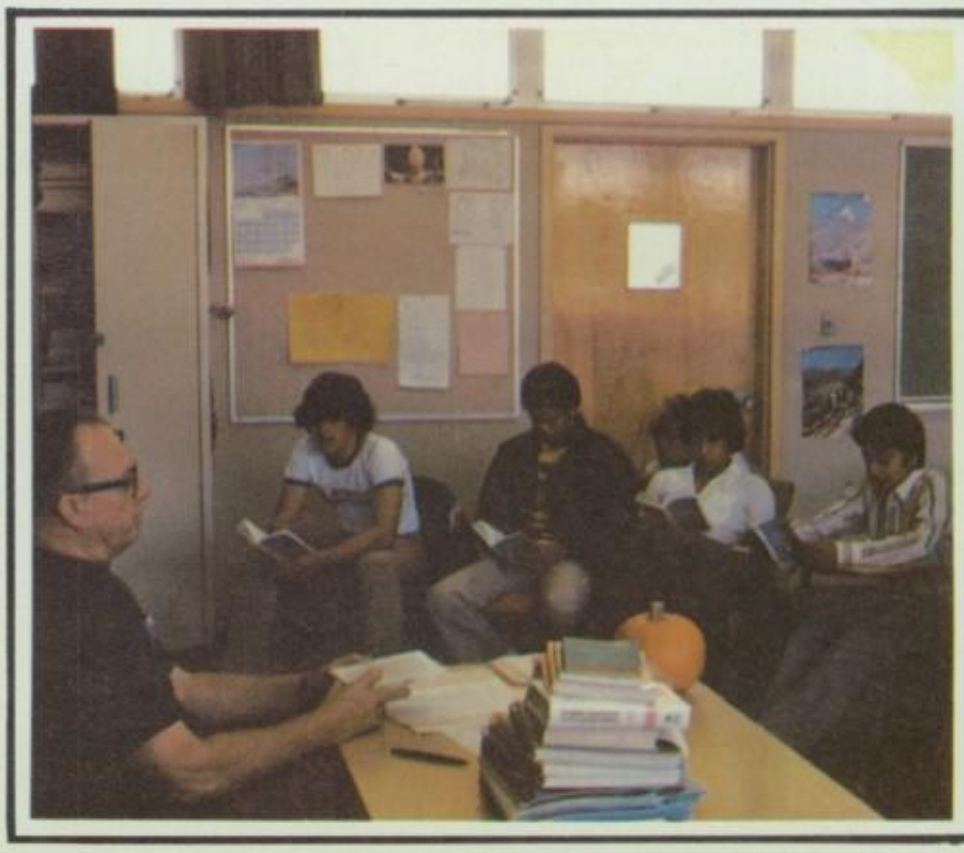


Musical talent aids our prayer.

Seniors enjoy the renewal and peace of retreat time.



Knights of the Altar serve daily Mass.



Fr. Carroll leads "Saints and Sinners" in prayer.

Seniors Involved: CommunityAction

One of the most important and rewarding of the graduation requirements for seniors is Community Action. Under the guidance of Mr. Kevin Ballard, S.J., the entire senior class spends 65 hours each working in the greater Sacramento Community, tutoring, aiding the physically and mentally handicapped, working in hospitals, rest homes and even campaigning for safe energy.

During the summer months some seniors worked diligently with the handicapped at Camp Sierra in the foothills of the Sierra Nevadas. Those who helped at Camp Sierra remember those weeks as one of their most rewarding experiences.

This year seniors are working at U.C. Medical Center, Immaculate Conception Grammar School, Citizen's for Safe Energy, Children's Receiving Home, Easter Seals and the Food Locker.

Community Action, the pride of Jesuit, shows growing concern for others. It is an integral part of Jesuit Education: to be men for others.

Kutlass Krazies Kapture Klimate

This year's Cutlass staff has somewhat changed the basic format of previous Jesuit yearbooks by adding theme pages to the opening section. This change from the traditional Jesuit yearbook was devised so that we could adequately comment on the spirit of the school. Our selection of Pride as our theme was not difficult. Jesuit is synonomous with Pride. That Pride is hopefully reflected in this book.

Long hours spent under buzzing fluorescent lights with Fr. Whitten breathing fire down our necks; Steve Nixon's, Editor in Chief, ramblings about his girl friend; Steve Halvorson's, Layout Editor, various and original hair styles; Steve Skrocki's, Photography Editor, foggy negatives; Kris Morrow's, Art Editor, Marauder Graffiti; Bryant Sheehy's, Photography Editor, $300 Bank Account are a few of the many things that made it all worthwhile.

The yearbook could never have been finished without the help of Katie "a visage of hope" Stephanson, Coronet "Can we have this picture yesterday?" Portraits, or Bro. Farrington's and Dave Novak's always ready cameras.

Plank Records the Moment

The purpose of a high school newspaper is to capture the sights and sounds of the moment. To put in print the feeling and sounds of the student body, to jog the conscience and stir the minds of the faculty, parents and friends of Jesuit High while maintaining literary excellence seem like mere words. To translate all of those goals into reality has been the year long task of this year's PLANK staff. Some of these goals were not attained; all were attempted.

This year's PLANK can proudly take its place in the ranks of literary excellence. With Gary Sullivan and Lee Roberson's vicious attacks on the latest films and record albums, Bob Boemer's jolly narratives on J-Hi lifestyle, Kevin Ternan's sports reports, complete with dangling participles, and Mr. Frank Nolan's bold, creative, daring, sensual censorship, one can truly say that the 1981 edition of the PLANK was . . . interesting!

KILLER TOMATOES THRIVE

Spiritual activities always play an important role in the formation of Jesuit students. The prayer groups are indeed a part of that spiritual formation. Meeting all hours of the day, over 150 students now participate in one prayer group or another. The daily announcements are peppered with short notices indicating "The Saints and Sinners" and "The Good and Not So Good" will meet today at noon, or "The Not Ready For Prime Time Prayers" and "The Killer Tomatoes" will meet on Tuesday and Thursday of this week.

A stranger on campus would certainly think twice about the Perigrinating Prestidigitators, The Good Bad and The Ugly, Potscrubbers Anonymous, or the Hellfire and Brimstoners; but it is all quite harmless. It signals a few students gathering together for some prayer and brotherhood.

Jesuit High is proud of those who find the time and make the effort to participate in community prayer.

Knights Display Religious Spirit

Although sometimes overlooked by many of the students at Jesuit, the Knights of the Altar presents an opportunity for everyone to become involved in student Masses.

Founded in 1963 by then Chaplain Fr. Jack Ferguson, it wasn't until 1966 that Fr. Joseph King organized it and coined the name "Knights of the Altar". Fr. King, still moderator, established the guidelines and duties extant today. These duties range from serving daily noon Masses, helping with other religious activities, to acting as Lectors.

Knights of the Altar is one of the few organizations at Jesuit that is open to all four years. The Knights deserve the respect of all Jesuit students as they set an example of service to the community here.

Block J: Service with Pride

The Block "J" Society was established in 1963. The original organization was comprised of athletes who had received the Block "J". The association has evolved into the present society. The club now includes also non-athletes. These non-athletes can earn a letter by contributing 50 hours of service to the school and may earn additional awards such as medallions and patches by volunteering even more hours.

Block "J" donates its services to any Jesuit related function where help is needed. These functions include the fund raiser P.A.C.E. Auction, Loyola Guild's Chrismas Tree Lane and the Spring Fling. The functions also include lesser but important activities such as Back-to-School Night, Plays, football, basketball and baseball games.

Parents/Friends Give Support

The Booster Club is made up of 432 interested parents, friends and alumni who support Jesuit in many tangible ways throughout the year. The boosters manage the concession stands at home games, man the chains at football games, as well as spruce up areas of the campus on Booster Work Days. Financially, they aid the Band, Forensics, Science Programs, Student Work and the College Counseling Program. Likewise, they sponsor athletic banquets and awards' ceremonies.

The Loyola Guild is composd of 577 women who support Jesuit with their time and efforts ranging from the prestigious Christmas Tree Lane Boutique and Fashion Show to the Coffee Meeting for the new Freshmen mothers. Yearly they join forces with the Boosters to organize and run the PACE Auction, the major fund raising event at Jesuit. Loyola Guild funds are used for the Scholarship Fund and in the operation of the school.

Springtime brings with it the Spring Fling. Who connected with Jesuit would miss this annual show sponsored and manned by the friends, parents, faculty and alumni of Jesuit? We are grateful to all of these people who support us in so many ways. They can justly share our pride.

Something's Afoot

A NEW MURDER MYSTERY MUSICAL

Book, Music and Lyrics by
JAMES McDONALD, DAVID VOS
& ROBERT GERLACH
Additional Music by ED LINDERMAN

Elise Radford swoons in a musical number

In spite of all the undermining factors that worked against this fall's theatrical production, *Something's Afoot* was an utter success. The determination and sacrifice of the dramatic and musical directors, Daniel Kryston, and Patricia Garrison, plus the hard work of the cast and technical crew produced yet another fine play at Jesuit.

The play presented a wide variety of characters, (typical of Agatha Christie's 1930's mystery thrillers), which were, in turn, portrayed by capable thespians. Miss Tweed (Corina Rios), the super sleuth, baffled the audience with her amazing deductive logic. The true-blue hero, Geoffery (Albert Bacchini), won the audience's heart as well as the heart of the incomparably innocent ingenue Hope Langdon (Elise Radford). Colonel Gilweather (Mark Dausses) proved to be a crowd pleaser by dealing with the whole predicament as he would a battle in World War I. Nigel Rancour (Luis Rodriquez), the greedy nephew, provided a sharp contrast to Gilweather with his diabolical schemes. The butler and the maid, Clive (Bryant Sheehy) and Lettie (Cathy Corfee), helped maintain a unique pace in the action by combining Clive's proper English manner with Lettie's saucy Cockney. The antics of the indolent caretaker Flint (Scott Hamilton), proved as amusing as Lady Manley Prove's (Margaret Orr) Anglicized French. Moreover, Doctor Graybarn's (Sherburn Adams) one great flaw, his simplemindedness, led to his tragic end as well as a few substantial chuckles.

In summation, *Something's Afoot* provided a dazzling array of characters which contributed to an evening of entertainment.

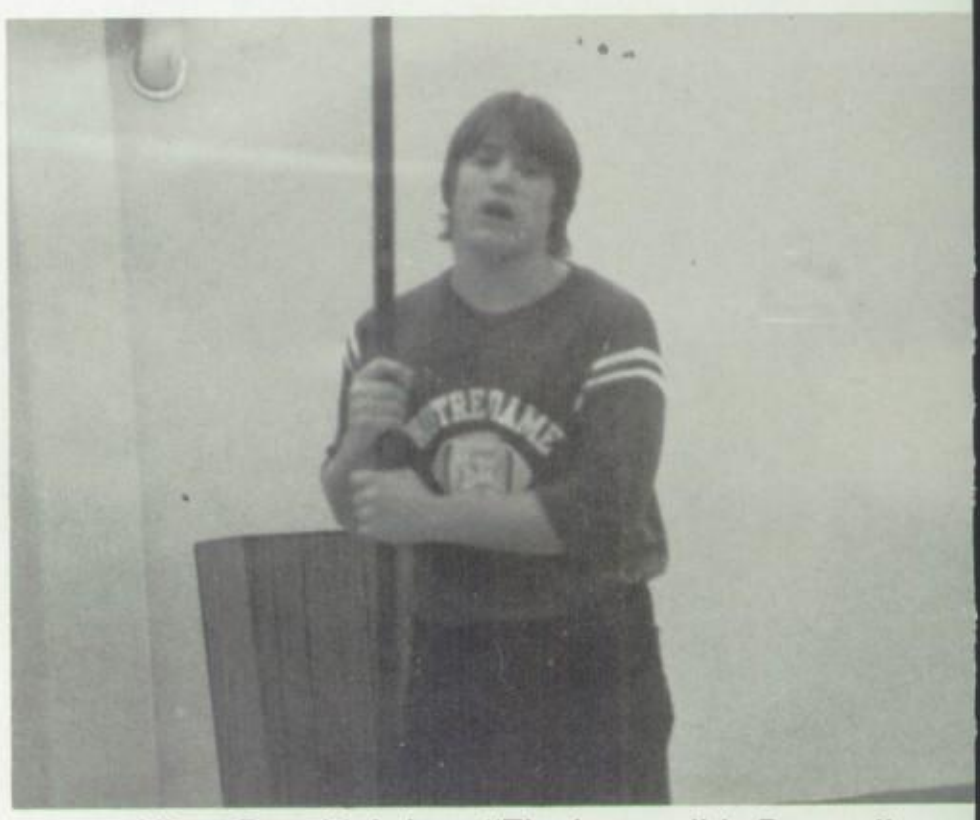
Man of La Mancha

Don Quixote and Aldonza share a scene.



Albert Bacchini sings "The Impossible Dream."

This year's Spring Musical was "The Man of La Mancha" The plot involves the Spanish playwright Don Miguel Cervantes who is in prison awaiting trial by the Inquisition after he had foreclosed on a church while working as a tax collector. For amusement, the other prisoners decide to subject Cervantes to a mock trial where he must defend himself against charges that he is an idealist, a bad poet and an honest man. Cervantes presents his defense in the form of a play using as his hero one Alonso Quijana who has been driven mad by all of the evil in the world and now calls himself Don Quixote, knight errant of La Mancha. As Don Quixote, he sets out to destroy evil and win fame and honor in the name of his dear lady, a local prostitute, named Aldonza. He names her Dulcinea.

The situations of this strange story were well acted and the humor was broadly played. Outstanding performances were given by Albert Bacchini as the outrageous Don Quixote and Sherri Dozier as the tough street-wise Aldonza. The supporting roles were well played by John Adams as Sancho, Don Quixote's faithful squire, Bryant Sheehy as Doctor Carrasco, the cynical psychiatrist, Mark Dausses as the Innkeeper, Bill Lee as the Padre, Elise Radford as Antonia, Kari Miller as the housekeeper, Frank Zavril as the barber and Steve Martin as Pedro, the head muleteer.

The Man of La Mancha was indeed an evening of good entertainment, well acted and congratulations go to Mr. Dan Kryston, the director.

Food Drive

The 1980 Christmas Food Drive was a tremendous success. This year the Freshman Class ended up at the top of the pile with a total of 37,964 points. The Juniors grabbed second place, although they had collected more food (3,879 lbs.) than the Frosh (3,426 lbs.). The total for the Juniors was 34,516 points. The Sophomores had 14,186 points while the Seniors locked a pitiful fourth place with a sum of 8,177 points. The Grand Total for the four classes was 94,843 points.

There were several successful fundraisers. The most notable were the Frosh Skate-a-thon, the Junior Bike-a-thon and the selling of the "Big Red Sock", donated by Fr. Barry. The Frosh raised $2,083 from the Skate-a-thon, and the Juniors reeled in $1,512 on the Bike-a-thon.

Special thanks go to Mr. Tim Warren for the organization of the Juniors and to Mrs. Ravera, to Mr. Mark Warren and his wife Jan for their help in the Skate-a-thon. An extra special thanks goes to Mr. Kevin Ballard for all the time and energy he put in as moderator.

Thanks again to the class representatives, Steve Halvorson, Joe McCormick, Jim McMahon for the Seniors, Chris DeBacker, Steve Donovan for the Juniors, Greg Chelini, John Philips, Mike Ryan for the Sophomores, and Garen Horst, Brian Mulholland for the Frosh.

CLUBS FOSTER COMMUNITY

Jesuit High School is a true community in all senses of the word. That community atmosphere is best exemplified by the myriad of clubs flourishing on campus. Currently, there are ten legitimate, and at least another ten illegitimate i.e. the Happy Squad, Cheap Car Club, etc., clubs at Jesuit. With all of this activity it is nearly impossible not to be involved in some form of campus activity.

THE SPANISH CLUB is a group of Spanish III students, moderated by "the red-herring man" Señor Donato. The Spanish Club's yearly "big Schtick" is their school-wide celebration of the feast of Our Lady of Guadalupe. This celebration consisted of the traditional breaking of the piñata and the singing of Spanish hymns at the Mass. The Spanish Club is also responsible for the luncheon Burrito sales.

THE CHICANO CLUB, our other Espanol-related organization, is moderated by Mr. Kevin Ballard, S.J. with the help of Fr. Bill Stout and Señor Donato. The Chicano Club holds frequent pan dulce sales and is totally responsible for the celebration of Cinco de Mayo Days.

THE JESUIT FORENSICS SOCIETY is one of the oldest and most revered groups on this campus. Moderated by Mr. Marc Ciccone, S.J. and Mr. Clyde Lehman, this group travels throughout Northern California speaking and debating. Currently the Jesuit Forensics Team is ranked 5th in their league, an outstanding fete considering the size of the group.

THE CALIFORNIA SCHOLARSHIP FEDERATION, moderated by Mr. Fritz Kehrwald, is comprised of those students, sophomore, junior, and senior, who have qualified by meeting the stringent academic and citizenship standards required by C.S.F.

THE CHESS CLUB is a quiet group who meet once or twice a week to play chess together and prepare for matches with other Chess Clubs throughout the area Mr. Wilson Kerby is moderator.

THE BUSINESS CLUB, Fr. Griffin, S.J., moderator, sends a team annually to the Humbolt State University Business Competition. It takes nearly an entire year to prepare for this competition. Jesuit has taken first place for the last three years.

THE MATH AND CALCULUS CLUBS, moderated by Mr. Cliff Frisbee and Mr. John Ridge, respectively, give an opportunity for those students interested in mathematics to exhibit their skill and to compete in math contests throughout the year.

THE RADIO CLUB under the guise of KJHS provides musical entertainment for the lunch-time crowd as well as training its members in communications and programming. Members man the discs at Basketball games for the Song Girls from other schools. Fr. Frank Hernandez, S.J. is the moderator.

GALLEY CREW IGNITES PRIDE

The Galley Crew is the second oldest organization on the Jesuit campus. It originally was used as a clean up crew for dances and other events, but it soon became the driving force behind Jesuit Spirit. The Galley crew is responsible for rallies, posters, skits and organizing cheering sections for games. This year, under the leadership of Tim Jeffries, the Galley Crew was instrumental in building spirit to a new high. Cheerleaders Jeffries, Arndorfer, McMahon, Mroczynski, Madsen, Simmons, Barnes, Halvorson, Wegener, Dausses and Betts spent many long hours preparing rallies, painting posters and generally doing all of those things needed to build Jesuit spirit. The Skit Crew has on occasion treated the student body to entertaining and clever presentations: The Flying Jesbini's, the United Way Skit with Jim Nasium and his little friend, and the infamous faculty/student turnaround presented at the Homecoming Rally. The Chalk Brigade decorated the bricks with slogans and sayings, then spent hours scrubbing them off. Some of these members were involved in the late night bell ringing adventure. The Galley Crew is watched over by Mr. Dave Novak.

TRIBUTE TO THE SIXTH MAN

Seniors Get Robbed 3-2

In an awesome display of talent and dedication, the slightly outmanned Senior all-stars lost to the Jesuit High faculty by the score 3-2. The seniors drew first blood with a quick goal from Kontes, but the faculty scored the next three goals with Paul Rose drilling two in and Tom Shakely one. Chris Reedy finished the scoring for the seniors with five minutes left in the game. Defensive stars abounded, with Ross Evans, and Paul V. Rose starring for the faculty and Tim Jeffries providing the laughs for the seniors. With such outstanding talent on these teams, it was surprising that there were no pro scouts around. Maybe next year, huh?

SENIORS ROBBED AGAIN — 7-0

For the second time this year, the seniors have faced the faculty on the athletic field and finished second. Thanks to two goal line, first down opportunities that were blown sky high by the seniors, the faculty football team eeked out another win 7-0. While valiant offensive efforts by Derek Hara, John O'Brien and George Kontes were wasted, the faculty capitalized on size and weight to push the ball around the field. Standouts for the faculty were: Dead-eye Dan Carmazzi, Hank "Killer" Meyer, "Too Tall" Tom Shakely and John "Where's the ball?" Dille, the only casualty of the game. Next year's senior class will have to turn the tide!

FACULTY DOES IT THIRD TIME!

Old Man shows Bob Cousey form from the line.

For the third time this school year, the faculty has taken the seniors to the cleaners. This time it was in basketball and the final score was a humiliating 44-77. The game was actually close during the first quarter but then suddenly with sharp shooting and great teamwork, the faculty moved ahead for the big push to final victory. Senior standouts were: Jeff Sperbeck, Bob Salamone and Jim Mieucci. The faculty team bolstered by the skills and stamina of Hank Meyer, Gerry Campos, Tom Shakely and Dave Novak were no match for the seniors. The outstanding event of the game was the appearance of Mr. Richard "Old Man" Meyers who scored to the roars and smells of the crowd.

A great time was enjoyed by all, but the faculty seemed to enjoy those moments when Coach Dille, Coach Shakely and Coach Meyer were in the spotlight.

Intramurals Stir Class Pride!

This year's Intramural Football program proved to be successful as well as organized; a rare treat. It seemed as though the idea was to draw blood and kill, but it was fun for all.

In the Semi-finals, Andy's team annhilated the Freshmen Coyle's team 20-6. The Smokin' J's got their act together and beat the Sophomore Champions, Kreuger's team. In the finals it was Andy's team vs. Smokin' J's. An injury in the first half required the game to be continued the next day. The Seniors prevailed 21-0.

Special thanks goes to the man in charge Mike "always there and never late" Barnes. Also sincere thanks to moderator Mr. Mike Cartan. Senior referees Tom Pratt and Joe Voydat cannot be overlooked in their clear judgement, and the fact that they never missed a game.

Basketball Intramurals proved to be the most exciting thing to happen during noon break, probably because of the interest generated by the Varsity team. Some great teams emerged such as Tom Pratt's Pistols and McCrystal's Jaguars.

The original turnout was overwhelming, but as the season wore on the faint hearted began dropping. Finally, the field narrowed and the struggle of who was to be the champion began.

Once again through the efforts of Mike Barnes and Mr. Cartan the Intramural season offered an opportunity for competition. Many fine games and many enjoyable hours were spent by Jesuit students playing together as a community.

Some got excited.

RALLIES SPARK SPIRIT

Due to the dedication and enthusiasm of Mr. Novak, our cheerleaders, and the skit crew, this year's rallies were spiritual, entertaining and sometimes humorous. Many chuckles were pryed from an always cooperative crowd by such notorious comedians as Steve "Jim Nasium" Nixon, Tim "Jones" Jeffries, Jim "Slob" McMahon, Steve "Opie" Halvorson, and the rest of the skit crew.

This year many a tingle down the spine was felt during fine speeches by some concerned student athletes. Talks by Tom Arndorfer, Mike Barnes, Tim Jeffries, and Steve Halvorson were all tributes to our school's great pride and loyalty that dictates over every facet of Jesuit. A great thanks should go to all the guys, teachers, and administrators who spent many hours arranging performances by visiting cheerleaders, producing skits, planning special events, and painting posters for a great job in keeping Big Red Spirit alive and strong.

Spirit Week 1980 Rocks Jesuit

Lunchtime volleyball, late night poster making, first quarter exams, one "Mega Rally," a hard fought football game, an enjoyable dance and a barrage of other activities all produced an entertaining and exhausting Spirit Week. There was certainly "Never a Dull Moment" in the 1980 Spirit Week/Homecoming. Following a tradition, the Seniors dominated the scoring of spirit points and Spirit itself, with 2,260 points.

It's always hard to follow a good thing, but his year's festivities amazingly improved upon a fine tradition started last year. The many hours of hard work by some dedicated people paid off with one of the finest Homecomings in recent memory.

Totals: Seniors, 2,260; Freshmen, 1,810; Juniors, 1,635; Sophomores 1,575.

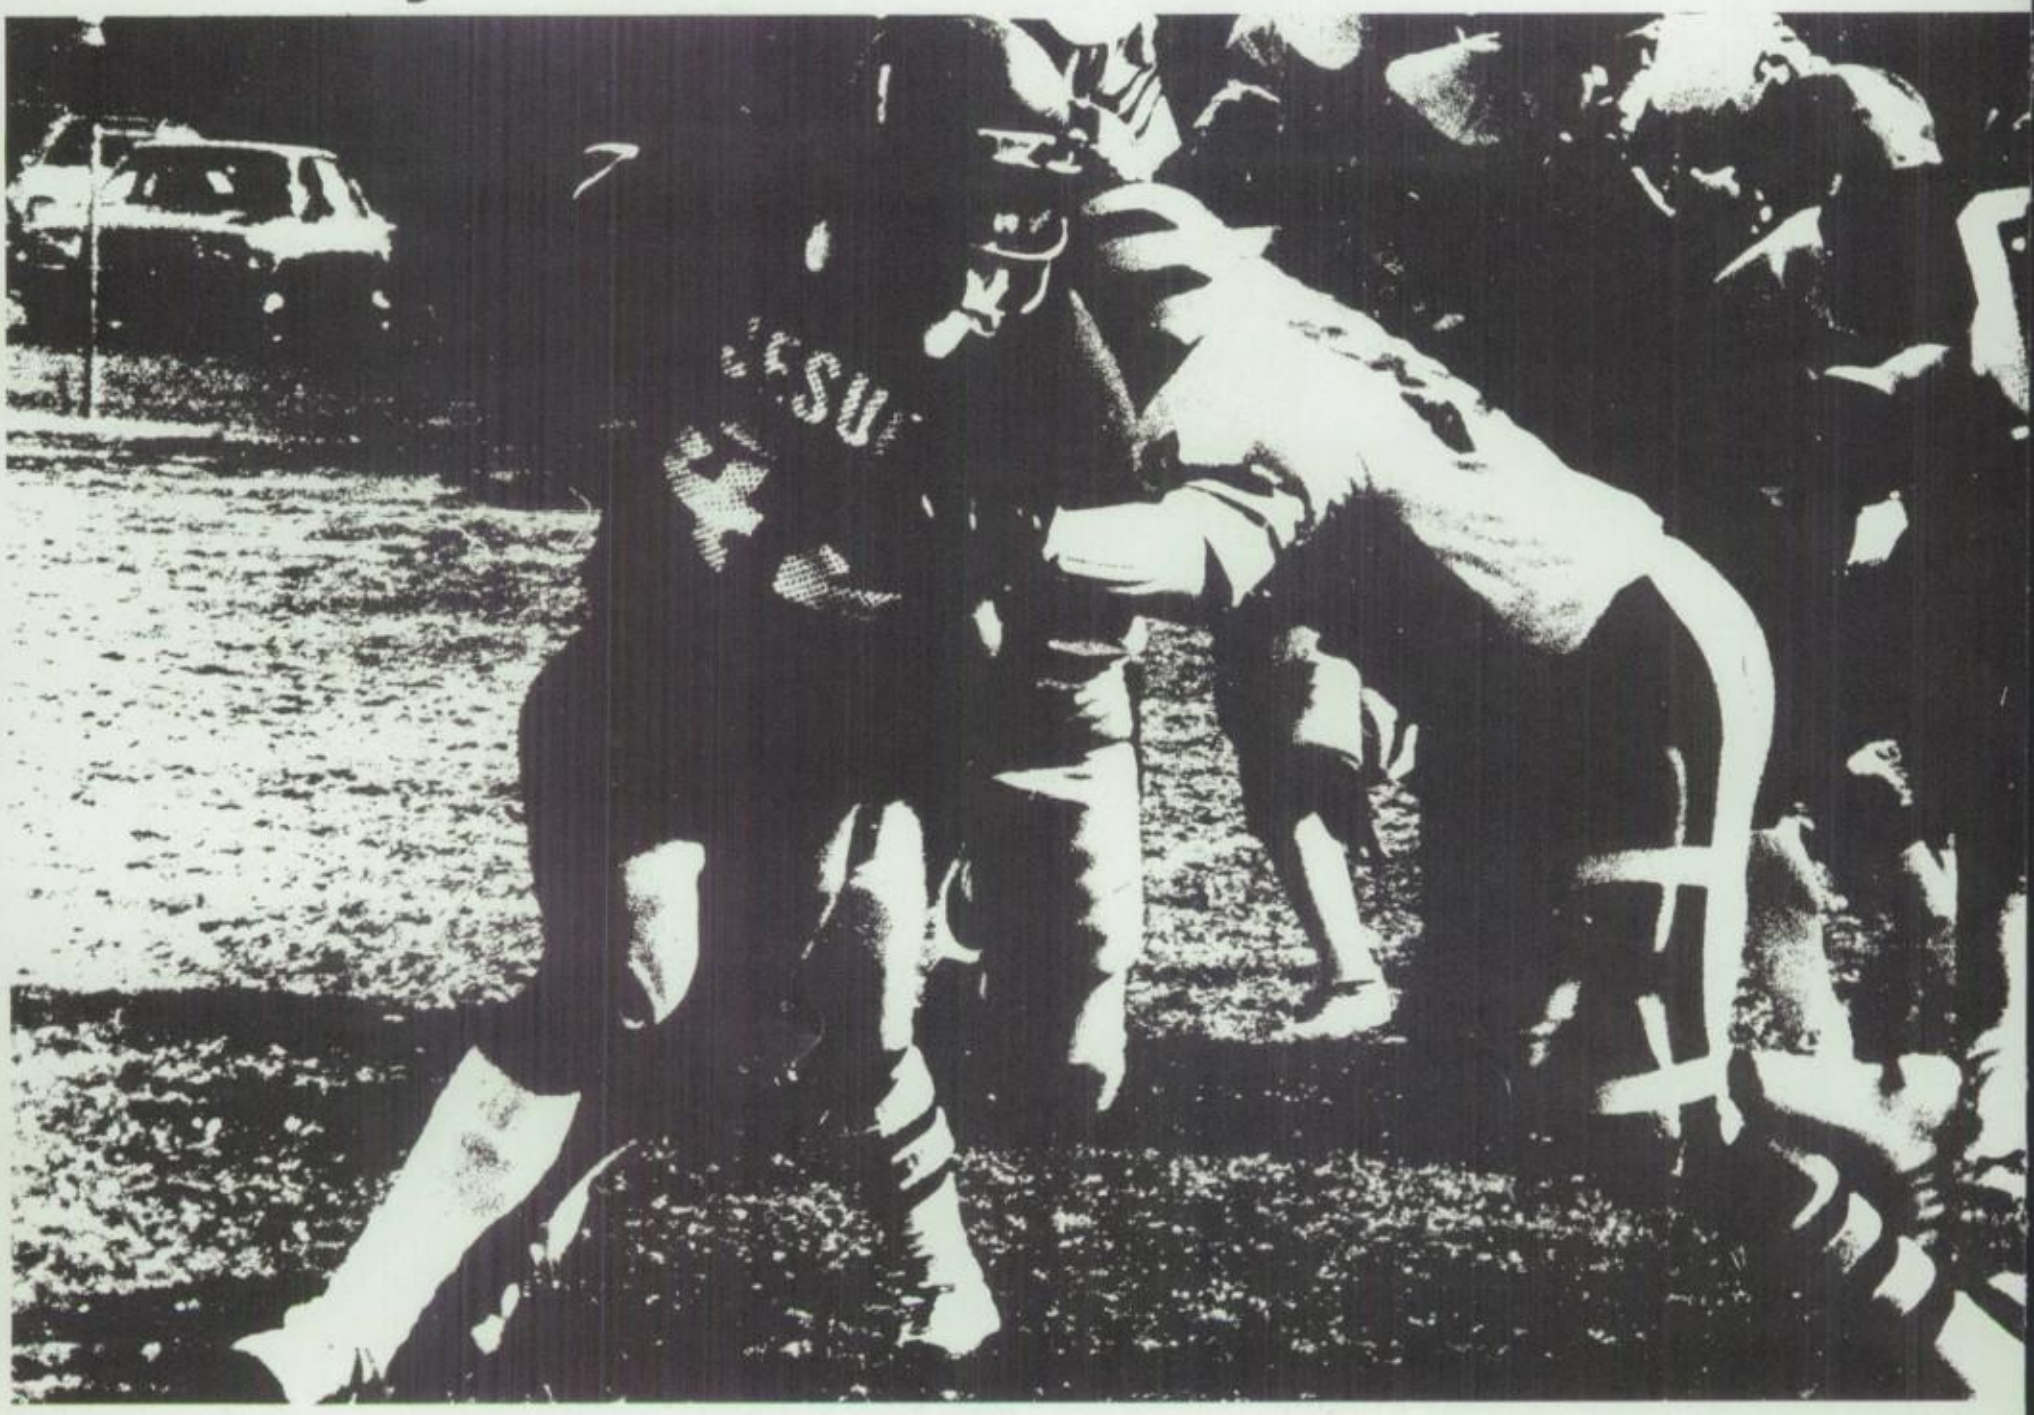
Varsity Football 1980



They Never Said "Die."

In the beginning the 1980 Varsity Football season looked promising. Never in the history of Jesuit Football has there been more determined athletes working out in the off season and the summer to prepare themselves for the coming season. This combined with the fine showing in the summer passing league, indicated the talent, determination, and pride this team possessed. Yet a winning season was not to be. With the loss of key personel throughout the season, each week became a struggle for the team and Coaches Clemons, Carmazzi, Evans, Earls, and Damitz. The team limped through a heartbreaking 0-9 season.

The season's record, however, failed to overshadow some outstanding personal efforts. Linebacker Alan Leatherby set two school records: total assisted tackles (109), and assisted tackles in one game (25). Other record setting performances were accredited to Tom Kunz, best hit, and Jeff Sperbeck to Steve Halvorson's 76 yard pass play that sparkled a rather dismal Holy Bowl. Center John Dalton, Tight End Tom Kunz and Linebacker Alan Leatherby were all recognized as All League.

Offensively, backs Andy Estipular, Mike Wegener, and Scott Lippi, linemen Mike Barnes and Kevin Ternan all deserve praise for outstanding jobs. Defensively, linebackers Larry Neely and Grant Pegg, and backs McElroy and Rick McCauley, all proved themselves strong, vicious tacklers.

Though the season proved to be one of frustration, the Varsity of 1980 were definitely winners in their own right. They shared many great moments, not of victory, but rather the feeling one receives from working as hard as one can for a common goal shared by teamates and coaches who care. Their unfailing enthusiasm, winning attitudes and their ability to "never say die" all go to prove that Big Red Pride is still alive.

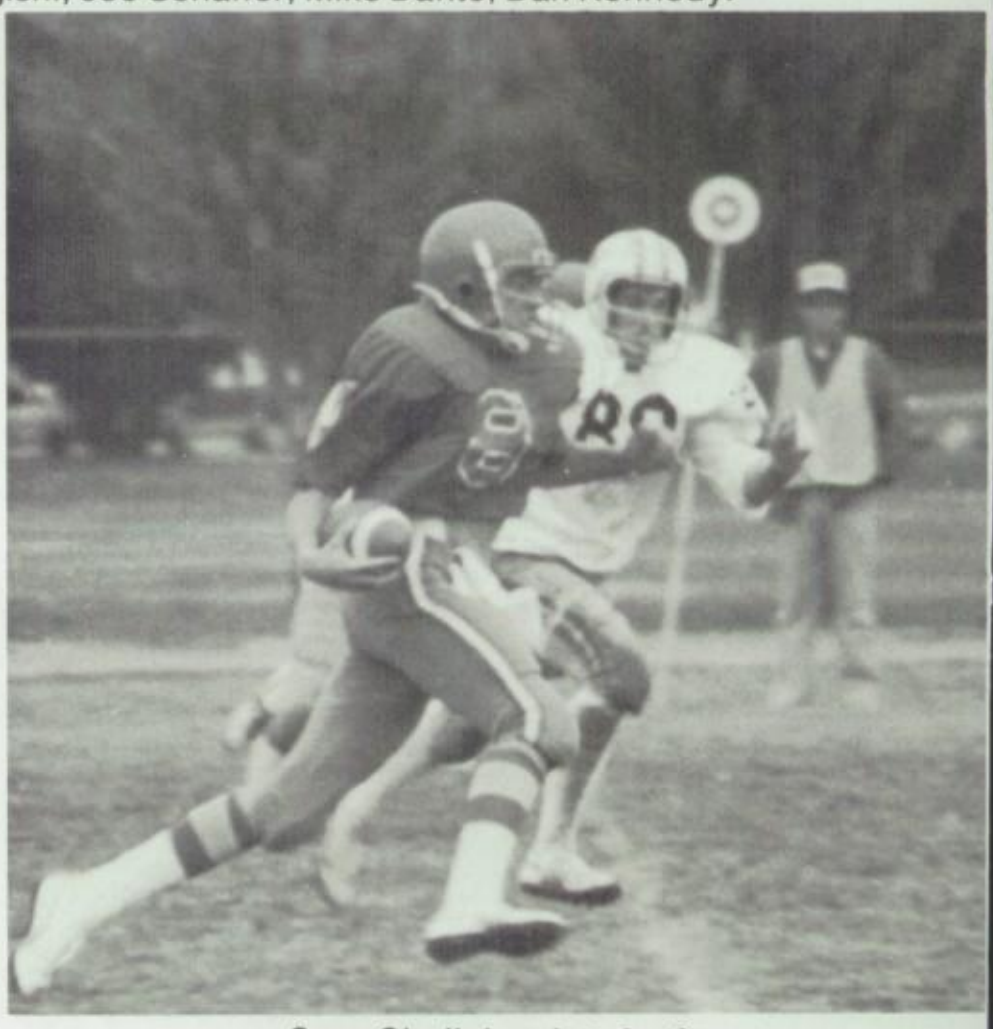
Highlighted by stunning victories over Norte Del Rio (21-0) and powerful C.B. (12-8), this year's Junior Varsity Football team proved its ability to win key games even with an injury plagued team. With the loss of quarterback Greg Chelini, offensive guard Chris Stone, and halfback Kevin Burton to Varsity, this year's effort was blunted from the beginning.

Though the J.V. season record is 4-5 the team did succeed in playing the role of spoiler to the dismay of previously highly ranked teams.

The most valuable player was halfback Steve Martin. Other standouts were split end Mike Terra, tackle Ted Hornback and quarterback Curtis Takagishi. Also Sean Holt, brought up from the Frosh Team, contributed much at halfback.

Bill Street was named most valuable defensive lineman, while defensive guards Craig Rossi and Scott Bradford also added to the defensive punch. Late bloomer Brian Flynn played outstanding ball at linebacker in the latter part of the season. He recovered three fumbles in the 21-0 shut out of Norte Del Rio.

The J.V. team began the season on a low note, being blanked 16-0 against Del Oro. Then the team regrouped to defeat ranked C.B. 12-8. Slot back Mike Ryan completed two touchdown passes in the game. The third game vs. El Camino was a heartbreaker. Down 6-0 on the El Camino 2 yard line the clock ran out. The team rebounded, shutting out St. Patrick's 20-0. Undefeated Davis humbled the J.V. 27-8. But again the team bounced back, as it did all season and trounced Foothill 13-0. Powerhouse Woodland crushed the team 31-6. The J.V. took its revenge after this embarrassment by shutting out favored Norte 21-0. In the last game, Yuba reversed the score against the Marauders 21-0.



Greg Chelini sprints for 6

The ability of the team to bounce back all season indicates an exceptional will to win. Head Coach Dan Clemons recognizes the potential of this contending football team. He has instilled in them "Jesuit Pride; pride in themselves, their team and their school."

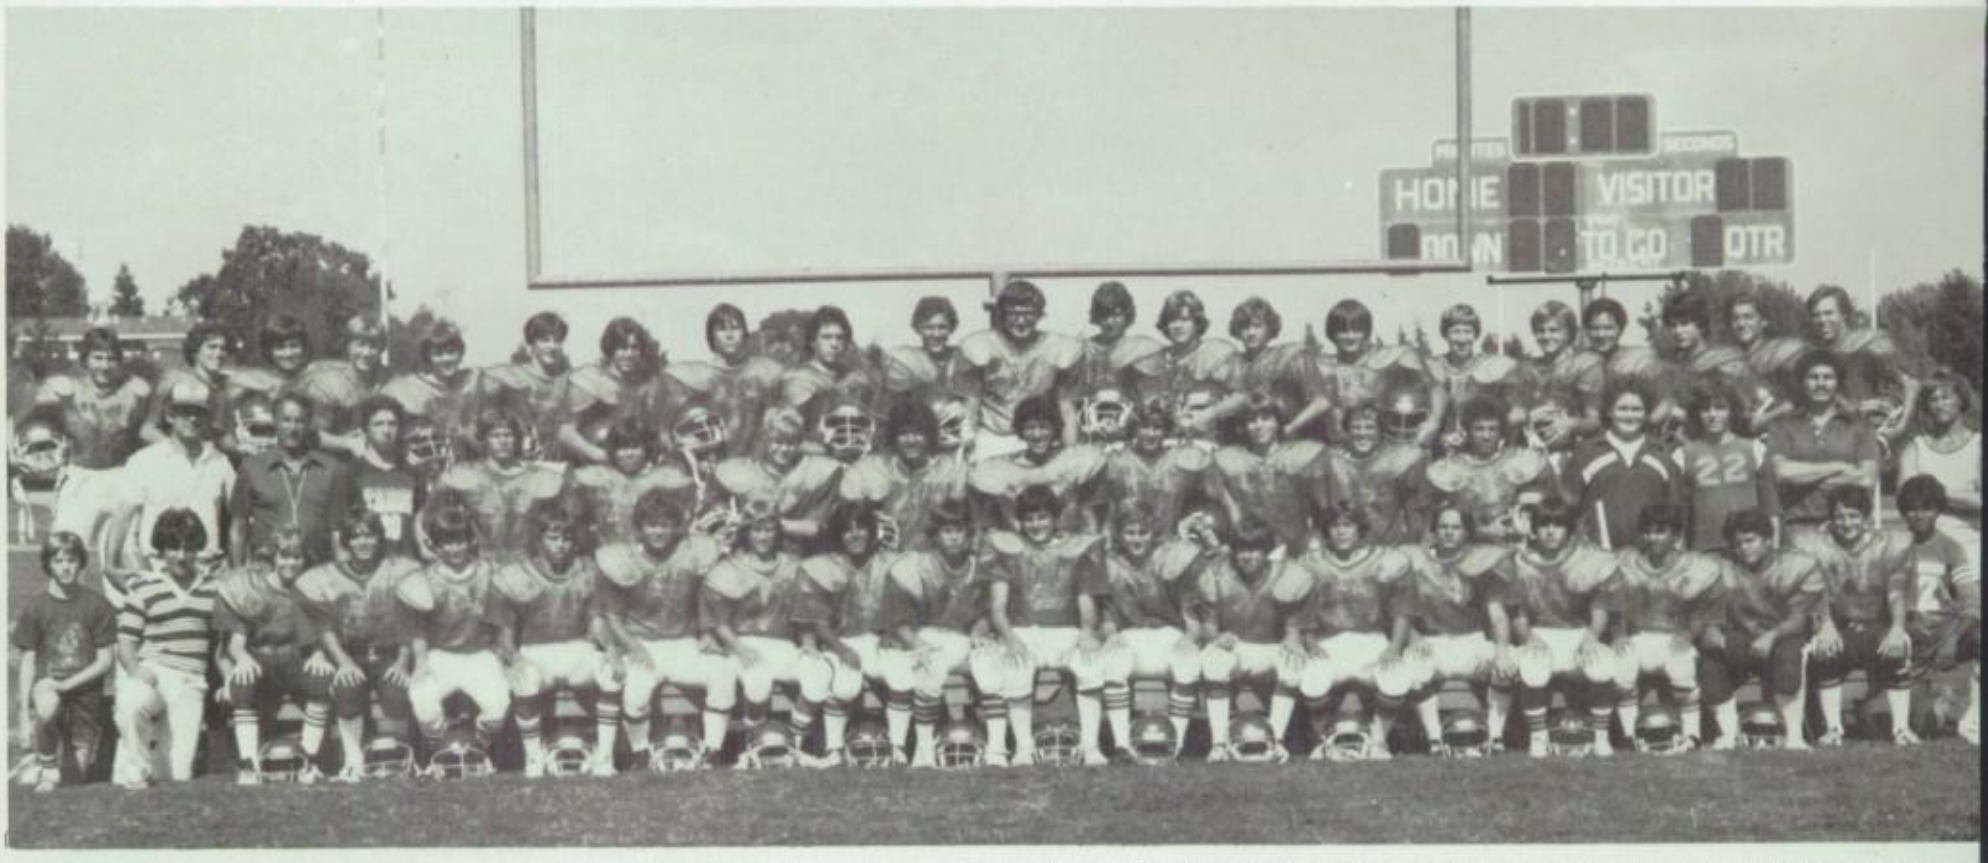
LITTLE RED IN WINNING SEASON



Top row (left to right): Greg Elko, Brian Ternan, Sean Holt, Jim Corkill, Mike Coyle, Randy Lucas, Gary LeClaire, Rob Smolich, Tom Robinson, Steve Hallerman, Richard Irving, Carl Worthen, David Novotn Lloyd Easton, Jeff Ebling, Chris Madden, Scott Sackett, David Duplantier, Steve Cooper, Greg Pakari, David Scholtz. **Middle row (left to right):** Coach Aull, Coach Frisbee, Kiernan Brothers, John Mullin, J Guidera, Mike Hayden, Sam Schwartz, Nick Kufasimes, Garen Horst, Derrick Larsen, T. J. Masonius, Jeff Reinl, Kevin Donovan, Marty Lewis, Coach Pat Cummings, Coach Meyers. **Lower row (left to righ** Peter O'Toole, Fran Cammarota, Gene Hoeffken, Tony Ossola, Matt Kuhlman, Dan Matthies, Jason Brenzel, Kurt Baer, Tony Rao, Mark Wegener, Andre Griffin, John Gisla, Bart Petterle, Chris Bagatelo Brian Mulholland, Rob Ricci, Dave Marcielle, Robert Ozzenburger, David Lee, Arturo Mikel.

The Jesuit Marauder Freshmen Football team showed what they were made of this season. Being shut out in their first two games only increased their desire to win; and win they did— their next four games, and five out of the last six.

Leading the offensive surge were quarterback Chris Bagatelos and his back up Greg Pakeri. Halfback Greg Elko and tailback Jason Brenzel led the ground attack, while wide receivers Garen Horst and Brian Ternan hauled them in. Slot David Scholtz fueled the offensive assaults as a multi-purpose back.

Leading the strong defense was tackle David Novotny at the line and Brian Ternan at defensive back. The defense proved to be the backbone of the team as it allowed only forty-five total points in their last six games. (7.5 points per game).

The season opened with a disappointing loss at the hands of El Camino. After the following week's 28-0 embarrassment by Mills, the Frosh came roaring back with a vengence. Little Red edged Douglas 8-0. That win proved to be the turning point in the season as they plowed by Sac High 30-6. The winning streak continued as the team took apart El Dorado 20-6. Brian Ternan's interception touchdown runback provided the next win over McClatchy 20-7. Finally Little Red was to face arch rival C.B. and fell victim to their first league loss 20-0. Spurred on by pride, the Frosh bounced back. Highly favored Yuba City's offense stalled as Jesuit squeaked by 12-6. This win gave the Freshmen team second place in informal Inter-Valley play and ended the season with a 5-3 record.

VARSITY SOCCER KICKS WAY TO T.O.C.

Back row (l to r): Coach Paul Rose, Rich Rombold, Scott Davis, Craig MacDonald, Chris Clifford, Pete Arellanes, Jerome Beauchamp, Tony Gonzalez, Joe Vencil. Middle row (l to r): Scott Keikoan, Mike McColligan, Eric Fajardo, Jeff Meyer, Matt Jaime, Dave Culp, Randy Ricci, Charlie Blim. **Front (l to r):** Clark Gurtz, Dimitri Stanich.

This year's Varsity Soccer team drove to a 4-2-4 record in their Delta League games with strong performances against league rivals Foothill, Yuba City, and Davis. The only losses that the talent laden team suffered were at the hands of TOC runner-up Dixon, a perennial power in the section. With strong preseason performances against El Camino and Christian Brothers a 4-0 win over Del Campo (second ranked in the city at the time), the season can be termed a total success. A TOC loss to champions Franklin ended the season with a respectable record for such a young team.

All city center-fullback Rich Rombold was named MVP on defense. Tony Gonzalez led the team with assists, and Matt Jaime being declared most inspirational player. All Leaguers included Rombold, Pete Arellanes, Chris Clifford and Jeff Meyer, with Jerome Beauchamp named as Honorable Mention.

The underclassmen made up the heart of the Varsity team, since 13 of 18 players were non seniors. Pete "Goalmaker" Arellanes led in team scoring, and Randy Ricci provided strong defense. Sophomores Meyer, Clifford and Dimitri Stanich provided awesome talent on defense, while Charlie Blim, the only freshman starter, played fullback.

With such a talented variety of returning players, this year's team should become a power next season. Nothing beats experience, and with such a young team, Coach Rose should be dreaming of glory. Jesuit has plenty of thrills to look forward to next year.

J.V. SOCCER FINISHES 2ND

In 1980 the J.V. Soccer season was filled with promise. This year's J.V. record was 12-7-3; in Capital Valley Conference 9-3-2. Their consistency in league play earned them a tie for second with Rio Americano. This team proved that future Jesuit Soccer will thrive!

Brett Parlante, a freshman at center halfback, played consistently, and scored the key goal in the crucial Rio game which decided second place. Other freshmen, Mark Ekstrom and Jim Larivee were conducibly dangerous. Mark at goalie, even though he played with injuries, was never scored upon, for most of the year. Jim played at wing and in Coach Pat Gannon's words was a constant threat to other teams.

Sophomore Miles Platner was another awesome threat. At center fullback, Miles proved to be an aggressive, consistent player. Another sophomore, Curtis Hanz at wing played with pride and power.

Overall the season was excellent, and the highlight of the season was the 3-2 defeat of Bella Vista, a team that has gone undefeated for three years. According to Assistant Coach Mr. Steve Speciale, S.J., this group of men can still learn more about how to play as a thorough team. That growth can be expected to insure a winner next year.

For the first time in recent memory, Coach Walt Lange was put to the task of making a Varsity Cross Country team competitive, with only one outstanding runner and a handful of seniors, juniors and sophomores. He has succeeded, of course. After some weeks of uncertainty, hard work and spirit paid off. Bill Ternes, Eric Orr, Bob Boutin, Doug Schuler (seniors), Bob Lombard, Mike Kinter, Chuck Eggleton (juniors), Dave Nicholson and Scott Granger (sophomores), showed what hard work can accomplish: First place Cordova Invitational, second place Nevada Union Invitational, and first place Delta League, fourth in section finals.

Bill Ternes, the first man on the team, won the Delta League meet with Eric Orr in a close second. Doug Schuler, Bob Boutin and Mike Kinter filling out the top five finishers.

Eric Orr provides a special story. About three weeks into the season, he decided to give running a try. He quickly became the seventh man and soon after zoomed to his permanent number two spot. We can especially be proud to the Jesuit Harriers fine effort this season, and we congratulate Coach Lange.

Frosh Cross Country Section Champs

With the top two freshmen of 1979 competing on the Varsity this season, the sophomore team seemed to be depleted. However, the first race erased any fears of a weak team. Brett Stauffer, running in his first season, took over the number one spot with first place finishes in the first and third races of the year. Rudy Martinez, John Shirba, Greg Alex, and Paul Verka rounded out the second through fifth men in fine fashion.

The team's record included firsts in all League meets, second at Bellarmine Invitational, first at the Hayward Invitational, first in League finals and third at Sub-Sections to cap off another winning season and foreshadow a great Varsity season next year.

This year's freshmen team is perhaps the finest Jesuit has ever produced. With unbelievable performances from Doug Von Brauchitsch (#1 man), Bill Shoemaker, Lawrence Kundargi, Todd Bass, and Dick Vicain, (#2-5) in every race of the season, the Frosh took first place in each meet except the Hayward Invitational. Coach Lange says this team really has been motivated and they deserve our highest regard as the Jesuit High team of the future. Jesuit High Frosh Cross Country are this year's Sectional Champions.

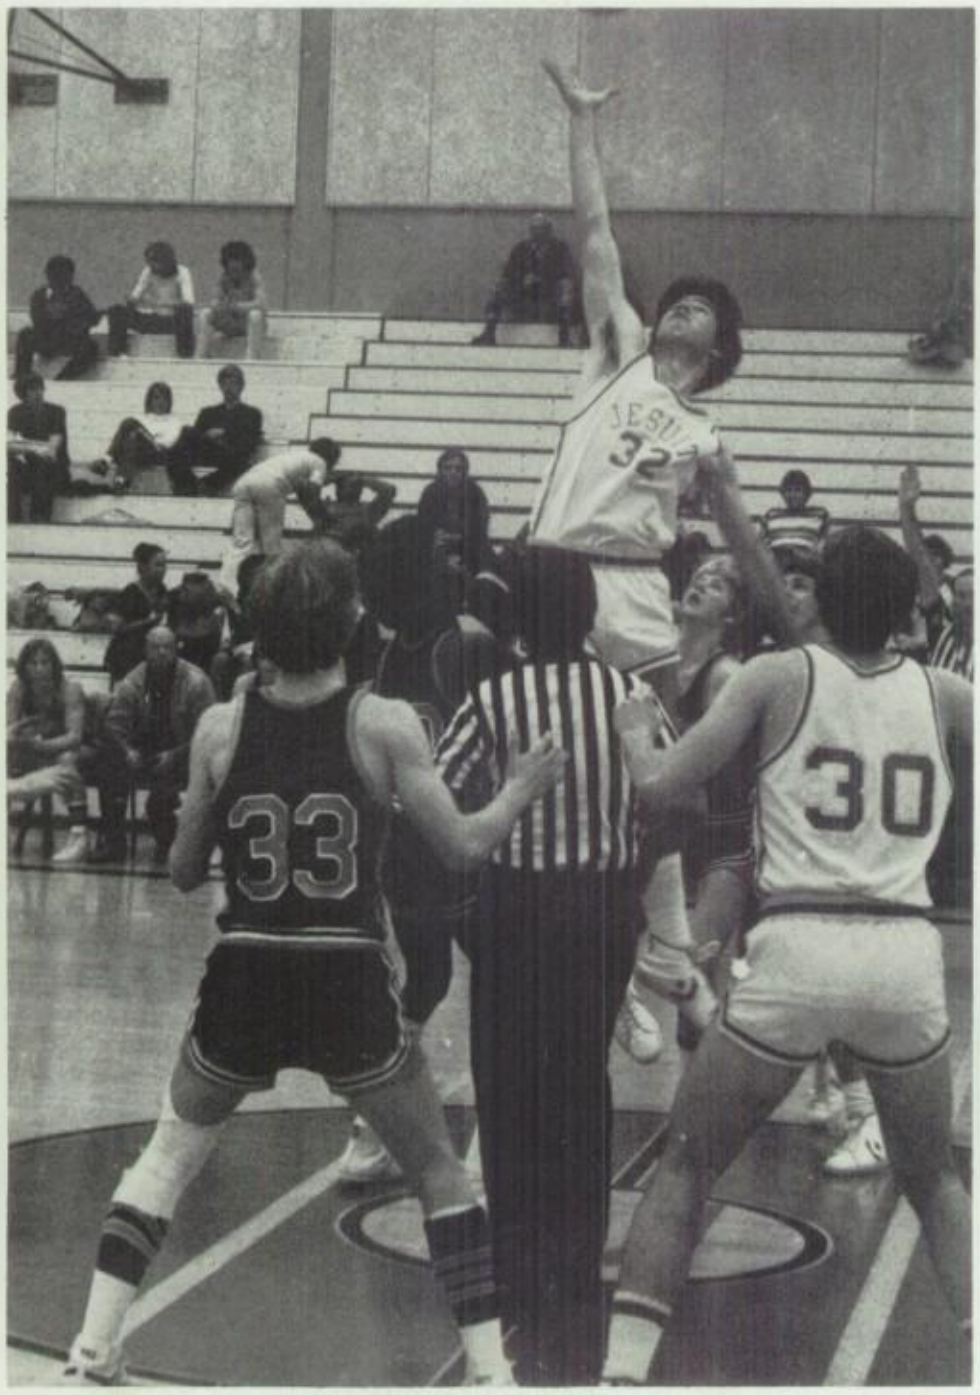
BIG RED SLAMS TO TOC



"Up, Buckey, Up!"

Anderson takes it home.

Three words can best describe the 1981 Marauder Varsity Basketball team: pride, heart and class. This team brought Jesuit to its first TOC trip since 1978,

The season started strong with wins against El Camino, Del Oro and Mira Loma. Then came the Del Oro Tourney and the Marauders played to the final wire being eased out by Del Oro 49-57. Tom Arndorfer and Greg Chelini were elected to the All-Tourney Team. Christmas followed and that meant the Jesuit High Christmas Classic. Again the Marauders played great basketball overcoming St. Pat's and Sacred Heart. In the championship game against St. Mary's, Red Pride took it into overtime where the Marauders met defeat. Tom Arndorfer was voted MVP for the Tournament.

The team played Kennedy, Rio Americano, Christian Brothers and Grant in succession. These powerhouses were too much for the Marauders to handle.

League play began and so did the Marauders. As if to make amends for the losses, the team made it three in a row over powerful Yuba, Norte and Davis. Game after game the team improved and fought for the championship. Finishing with a League record of 12-3, the Marauders had to be satisfied in second place behind Norte. That was enough for an invitation to play in the first round of the TOC.

Jesuit played Vallejo in Vallejo and lost the game 71-77. Three players were named to the All League Team: Tom Arndorfer, Steve Chelini and Brian Baer.

Tom Arndorfer was named First String Guard on the All-City Team and Coach John Dille was named Coach of the Year by the Delta League.

No one expresses Jesuit Pride better than this year's Big Red!

The 1981 Junior Varsity Basketball season was one of the most successful in recent memory. The fine J.V. squad, under the leadership of Coach Tom Shakely and Assistant Coach Ted Goodykoontz, racked up an 11-4 League record making this year's J.V. team the first since 1977 to win the Delta League.

J.V. standouts Greg Chelini, Matt Galgani, Bill Street, Mark Gabriele and Paul Murnane led the squad through many tough and tight games. The overall season record was 19-9.

Coach Tom Shakely was thrilled with the spirit and cooperation of this year's team. He remarked, "This is one of the most talented and hard working squads I've seen in a long time. This team should produce terrific prospects for next year's varsity team."

To the 1981 Junior Varsity Marauder Basketball Team we offer our congratulations. You are CHAMPIONS!

Team dedication and cooperation characterized this year's Little Red Basketball Team. The result was a fine 18-12 overall record and an impressive 11-3 League record. Throughout the year the freshmen, coached by Mr. Hank Meyer, displayed great pride, class and determination.

Little Red was led by the consistent outside shooting of Tim Marchi, the solid floor leadership of Tim Anderson and Pat Bagley, with solid rebounding by Carl Worthen, Doug DelCielo and Tom Griffin. Coming off the bench, Art Mikel, Marty Holbus, Pat McCarthy and Kurt Baer made crucial and key contributions to the team.

The entire season was a tough one with the championship going down to the wire. Jesuit lost the game 52-50 to Burbank in an exciting and close game.

It was a season in which everyone on the team contributed something. The team relied on every man in practice as well as in games. Little Red wears the badge of Jesuit Pride.

MATMEN IN A TOUGH SEASON

Jesuit Wrestling in 1981 produced the largest team in Jesuit history. As the season progressed, injuries, illness and lack of determination reduced the squad to 14. Though the team experienced a tough season, individuals proved their power.

Senior Mike Rollins, Sophomore Paul Verke and Freshman Steve Delaney had an outstanding year. Mike placed fifth at Sub-Sections in the 134 lbs. class and Steve placed fifth in the 158 lbs. class. Coach Pat Clemons and the school congratulates these fine men for their efforts.

The 1981 Varsity Baseball team faces the unenviable prospect of trying to follow in the footsteps of last year's highly ranked league championship team. Only 4 players return from that 22-6 team led by infielders Matt Jaime and Andy Estpular, catcher Lee Jon Moore and pitcher Mike Sieber who last year led the area in wins (11-2) and e.r.a. (0.39).

George Kontes, Senior, and Juniors Matt Stone and John Gedney will have to pick up the slack. Gedney is also a promising catcher while Kontes is being counted on heavily to provide some much needed offense. Matt Jamie anchors the infield at Short stop while Andy Estipular can be expected to drive in crucial runs. Lee Jon Moore hit .315 as a Junior and is expected to improve on that.

Mike Koewler holds down second while Rich McCauley and Sean O'Dell roam the Outfield. Juniors who should contribute are Speedster Scott Lippin in the outfield and infielders Jim Alfred, Frank Garcia, Mike Ellison and Chris Barsotti.

The success of this year's team will depend a great deal on the individual player's ability to master teamwork. Coach Dave Novak and Coach Campos feel that the raw ability is there but motivation and dedication are somewhat lacking. Only time will tell.

Coach Ted Goodykoontz.

The 1981 Junior Varsity Squad is once again exhibiting traditional Marauder form by starting strong and playing consistent ball. Coach Dan Carmazzi's J.V. Red has posted an over-all record of 4-2 and are 1-0 at this time in league play. Says Coach Carmazzi, "We will definitely be in competition for the league championship if our pitching comes through. Our toughest opponents will be Woodland, Yuba City and Davis."

The J. V. pitching staff is led by Greg Chelini, Paul Murnane, Mike Cornelius, Mark Gabriele and Doug Van Dyke. Offensive standouts are: Chelini, Gabriele, Matt Brownfield and Mike Houlihan. In the field, Pete Kouretas, Chris Munroe and Joe Krueger have proven themselves leaders by playing smoothly and consistently.

The team is heavily laden with complete ball-players including Scott Bradford, Chris Kaiser, Tony Montano, Curtis Takagishi and hot-corner men Ed Paulus and Matt O'Conner. Speed and aggressiveness has been provided by Spencer Page and Jeff Uimrie.

The team enjoys a deep bench allowing for platooning freely.

The J.V. season thus far has been a series of big wins and close losses highlighted by the 7-6 come from behind win over El Camino.

The pride shown by Coach Carmazzi, Assistant Coach Ted Goodykoontz and the entire J.V. squad is manifested in the success that they have achieved so far.

Masonius.

Arturo Mikel sends one down the slot.

Following in the footsteps of three consecutive Freshmen Intra-Valley League championship teams, this year's freshmen team well realizes that they've quite a reputation of excellence to uphold.

Perhaps even more balanced and talented than in previous years, this year's version of "Little Red Baseball" boasts a strong and deep pitching staff which includes: Art Mikel, Mike Sanborn, Dave Novotny, John Susac and Jerry Nielsen; excellent defensive play spearheaded by: Tim Anderson, Tony Barsotti, Ted Messner, Pete Abi-Nader and Marty Lewis; good speed; and the fine hitting prowess of Brenzel, Schultz, Bauske, and Rao. Coach Michael Cartan cites "team spirit good, hard aggressive play and a winning attitude" all as important attribute of this year's squad.

Jesuit's Track Team is looking forward to an outstanding season this spring. Led by distance runners Bill Ternes and Eric Orr, heavyweights John Dalton and Alan Leatherby and sprinters Pat McCrystal and William Yung, Coach Walt Lange has the deepest line up in many seasons, with strength in every category.

The team's main strength this season will lie in the distance running and the shot put-discus events. The distance team has great depth with Doug Schuler, Bob Boutin, Bob Lombard and Mike Kinter backing up Ternes and Orr. The weight categories are equally strong with Mike Barnes, Dan Ingoglia, Matt Tucker and Fred Medina following the footsteps of Leatherby and Dalton. Kris Morrow provides the team's only triple jumper but his strength will add much to the team effort.

Coach Walt Lange has provided a stringent training for the Varsity which has contributed greatly to their success thus far. Great things are expected this season.

The J.V. Team is equally deep with distance runners Bret Stauffer, John Shiurba and Rudy Martinez, sprinters Steve Emert and Ruben Amaya, shot putters Richard Irving, David Duplantier and Tom Hornback.

With the all around strength and good training program this year's J.V. team should be in contention for a top spot in the league ladder.

WHAT IT TAKES!

Jesuit High is honored to have five All Americans on its consistently high ranking swim team. Matt Davis, Darryl Johnson, Brian Grottkau, Mike Strauch and Nick Bagatelos have proven themselves great swimmers. To be chosen All American, a swimmer must meet minimum times in his event in competition with swimmers across the nation. An All American maintains consistent and grueling workouts swimming up to ten miles a day and sometimes spending four hours in the water. Jesuit's All Americans have proven themselves through intense training and determination. The 1981 Cutlass congratulates them and wishes them great luck in their future swimming careers.

MARAUDER SWIMMING

The 1981 swim season was blessed with the outstanding coaching of Mr. Mark Carrington and the guidance of Bro. William Farrington, S.J. These men led the team to their seventh straight Section Title.

Jesuit's season began in Reno led by the Jesuit All Americans and seniors Ron Ayers and John "Woo" Miller. Throughout the season the team was helped by outstanding performances from mermen Mike Shaffer, Rick Debaere and Dean Deloe. On the J.V. level, Chris Bagatelos and Paddy Madalo show great promise for the future. Also the divers Steve Volpicelli and Mike Sullivan should be singled out for praise.

RACQUETMEN ACE LEAGUE

The powerful 1981 Jesuit Varsity Tennis Team, coached by Mr. Dave Damitz, expects a tremendous season. The exceptional depth, talent and experience will be major factors in implementing the Marauders challenging season which should culminate in the Delta League Crown.

Returning from last year's championship team are: Chris Reedy, Tom Pratt, Kevin Lee, John Boehrer and Derek Hara. Additional talent includes Freshman Eric Cochran.

The Marauders, this year will also be competing against some of the finest teams in Northern California. The hard work, the early morning practices, the comraderiy have all contributed to the team's determination to bring home again the Delta Crown. Then with the same skill and determination the 1981 Jesuit Tennis Team will seek the coveted #1 Ranking in Northern California. This is truly a team to be proud of.

Although Coach Mike McIntee lost his top four golfers to graduation, he feels that last year's depth will make up for the loss. Returning to the Varsity Squad from last year are: Jim Wright, Dave Cooley and Brad Reardon. Mr. McIntee feels that if his fifth and sixth men can play up to their capabilities, this year's team will be in the chase for the league title.

Jim Wright playing #1 should prove to be one of Sacramento's finest golfers. Rounding off the Varsity Squad is John O'Brien, know for his consistency, Bill Schwartz, whose short game is one of the best, and Mike Turnacliff, who's known for his blasting drives. Depth will be provided by Joe Duffel, Patrick O'Neill and Jim Irwin who should always keep things competitive for the top six men.

Coach McIntee is very optimistic for this year's young team which he thinks could well bring home the Delta League Championship again this year.

FR. HARRIS TO LEAVE IN JUNE

In the 1970 edition of THE CUTLASS, under publications, is listed the name of Mr. Edwin Harris, S.J., Swimming, World History, U.S. History, PLANK. For three years, Mr. Harris shared his talents with Jesuit High. Then it was time for him to leave in order to finish his Theology studies and be ordained a priest.

It is 1976 that the name of Father Edwin Harris again appears in the pages of THE CUTLASS, this time as Assistant Principal. In 1977 he became Principal. In 1979 Fr. Harris was asked to assume both the positions of Principal and President. This year he stepped down as President and finishes his fourth year as Principal. Next year Father Harris will again leave Jesuit High to complete his training as a member of the Society of Jesus (Jesuits).

The entire Jesuit High School family wishes Fr. Harris joy and peace and prays that his name will soon again be listed in THE CUTLASS.

JESUIT HIGH SCHOOL

A COLLEGE PREPARATORY

June 1981

Dear Seniors of the Class of 1981:

The Commencement Exercises of Graduation Day on June 6, 1981, last only one and one-half hours, but that short time does not do justice to the full significance of graduation. The process of integrating the meaning of your high school experience into your lives continues throughout the years ahead, if you will only allow it to continue. We are who we are because of the lives we lead and the people we encounter.

You and I began an experience in September 1977 as freshmen together: you as students and I as Principal. Four years later we are all graduating together, moving on from Jesuit to the new adventures which our lives hold for us. As we look back on our four years together, what is of value that we can take away with us as we leave?

I hope that you have enjoyed your years at Jesuit as much as I have enjoyed mine. I do not leave here with a diploma. What I am taking with me are all the memories and the experiences of all the people I have come to know in my years at the school: the faculty, the parents, but most of all, the students. This is the best part of my Jesuit experience; it is the only thing which really matters to me.

We each have our own scale of what is of value to us. Whatever your experience over the past four years has been, I hope that you are taking away something of value, something meaningful, for the rest of your lives -- something more than just a diploma. There are so many experiences connected with the high school years, many of which have little to do with academics: sports, activities, friendships. I hope that some of these are the treasures which you will keep with you for the years ahead.

We are at a point in the journey of our lives when our paths will take different courses. May the Lord be with each of you in your journeys with His loving care to enlighten you, to inspire you, to strengthen you and to console you. And may He continue to bless you with His Peace until the day when we all might be together again.

Thanks for being such a great part of Jesuit High School.

Sincerely yours,

Edwin B. Harris, S.J.

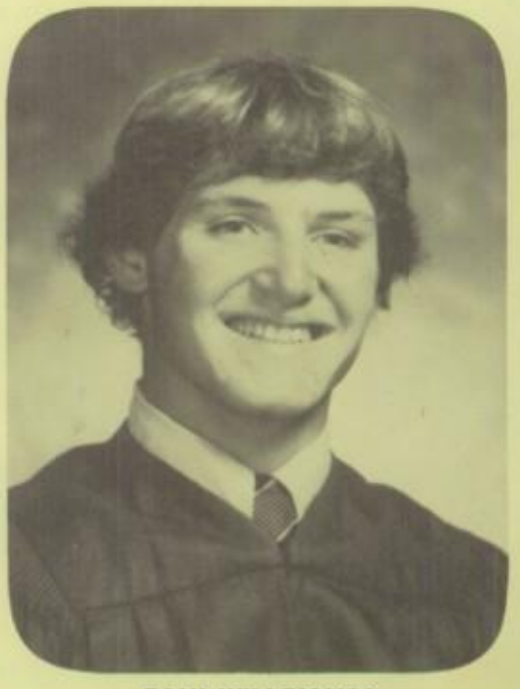
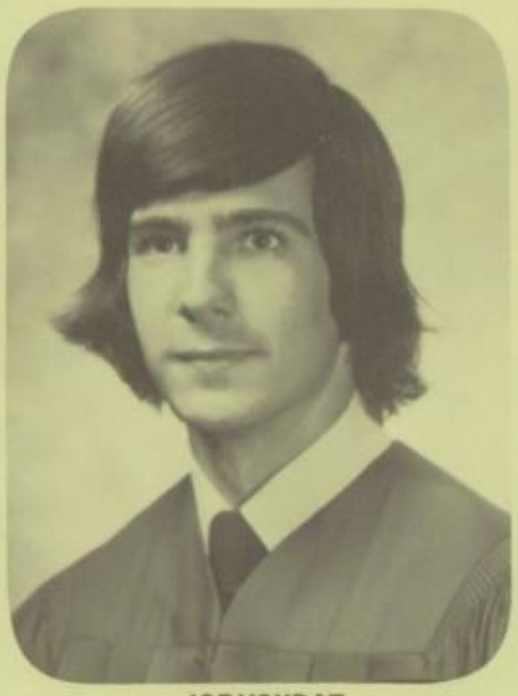
Fr. Robert Griffin, S.J.

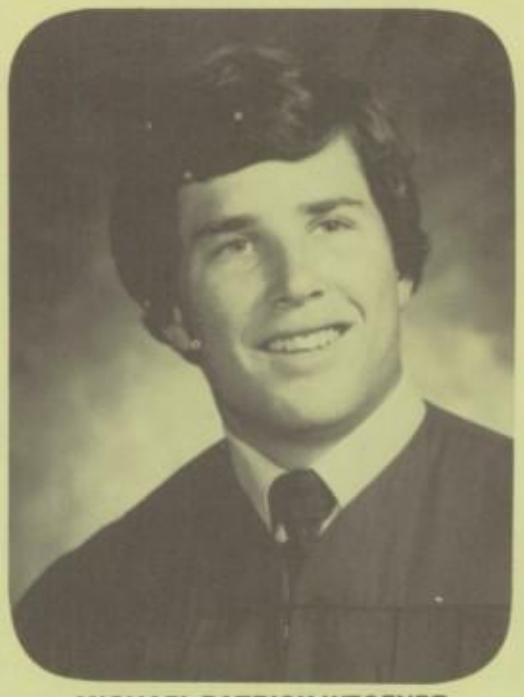


PAUL WILLEM VOS
I'd rather search for things to do and fail, than sit around and dream about doing them.

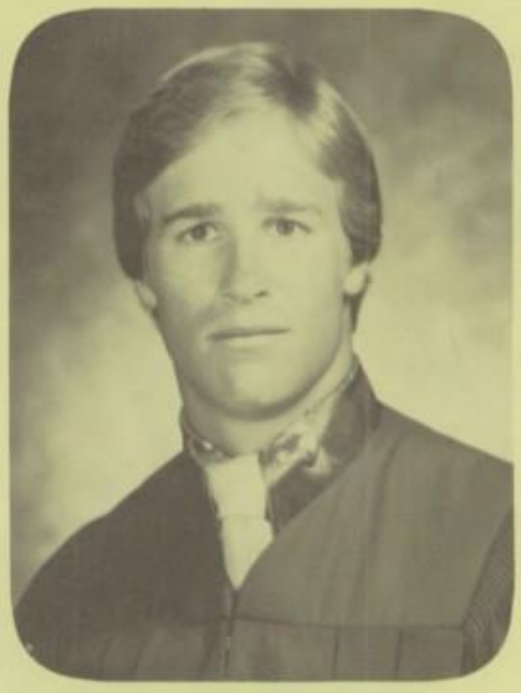
Thanks Mom and Dad
P.S. THANKS JESUIT AND CLASS OF '81



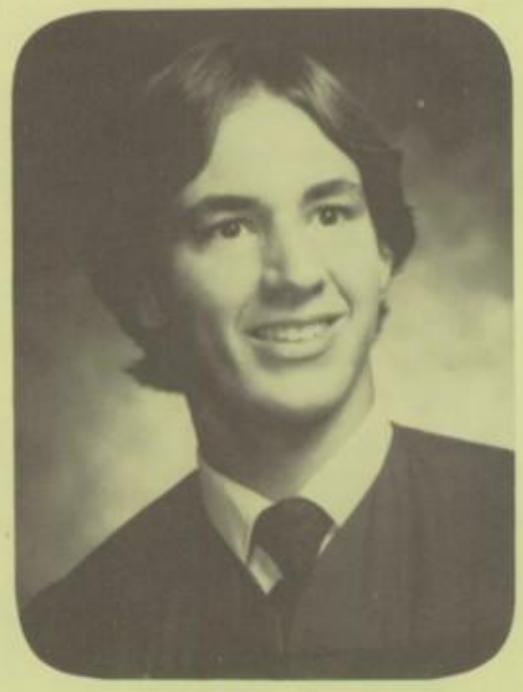
JOE VOYDAT
There will never be another one like you. There will never be another one who can do the things you do.
JAMES DOUGLAS MORRISON



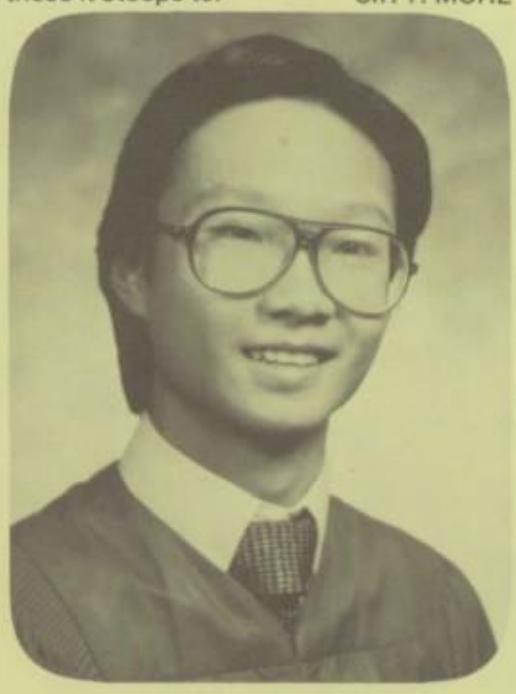
MICHAEL PATRICK WEGENER
The talents you have are God's gift to you; what you do with those talents is your gift to God.



MICHAEL CHRISTOPHER WEHR
My words are few, yet come from my heart; I thank you all, but now we must part. The years were great, yet oh so fast; The time we shared will forever last. Thanks Jesuit for the people and times, I can't begin to express in mere rhymes.



JEFF WILLIAMS
To be humble to superiors, is duty; to equals is courtesy; to inferiors is nobleness; and to all safety; it being a virtue that, for all its lowliness, commandeth those it stoops to. SIR T. MORE



WILLIAM YUNG SHING WAI
Life is the source of happiness.
So therefore be glad of life.

What you have said I will consider; what you have to say I will with patience hear.

Mr. Clyde Lehman

Fear, baby, fear makes the world go round, unfortunately. But the more that we let love motivate our lives, the more spiritually mature we become. This is what Christ wants and what our lives are all about.

Fr. George A. Carroll, S.J.

We have no limits, we know no bounds, and we will never be captured. *Mr. Dave Damitz*

WHAT IS BIG RED PRIDE?

Big Red Pride cannot be described in words. It lives in the hearts of all those who are a part of Jesuit. Big Red Pride means *together* we win and together we lose. No matter what, we are united.

Mike Wehr

Big Red Pride is the feeling a person gets when he walks onto Jesuit's campus and experiences Jesuit Spirit. He feels proud that he is a part of it.

Mike "Egor" Barnes

Big Red Pride is the powder keg of the school. It controls the people and shows how great this school really is.

Tony "Zuke" Brocchini

I don't know what Big Red Pride is, but I will do my best if it needs help.

William Yung

Big Red Pride is attending the rallies, cheering at the games and actively participating in school events.

Duke Crawford

It is *constant* pride when things are up as well as when things are down. It should be felt by every person in the school or they should not attend the school.

Tom Kunz

Big Red Pride is not being able to speak Saturday morning after sitting in the cheering section Friday night.

anonymous

Big Red Pride is never saying "can't" or "won't", only "can" or "will".

Kris Morrow

Big Red Pride is just that — BIG RED PRIDE. Words can't define it because you *feel* it. Among other things it is knowing you're the best; it is believing you're the best, and above all, it is being the best.

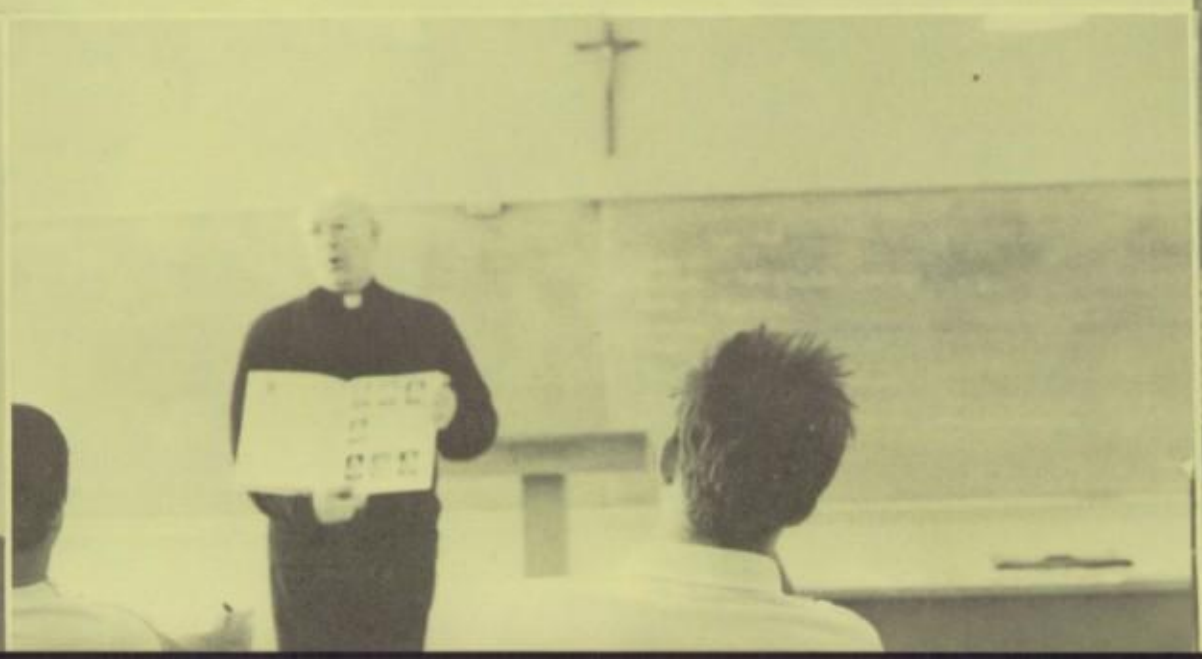
Bob Boemer

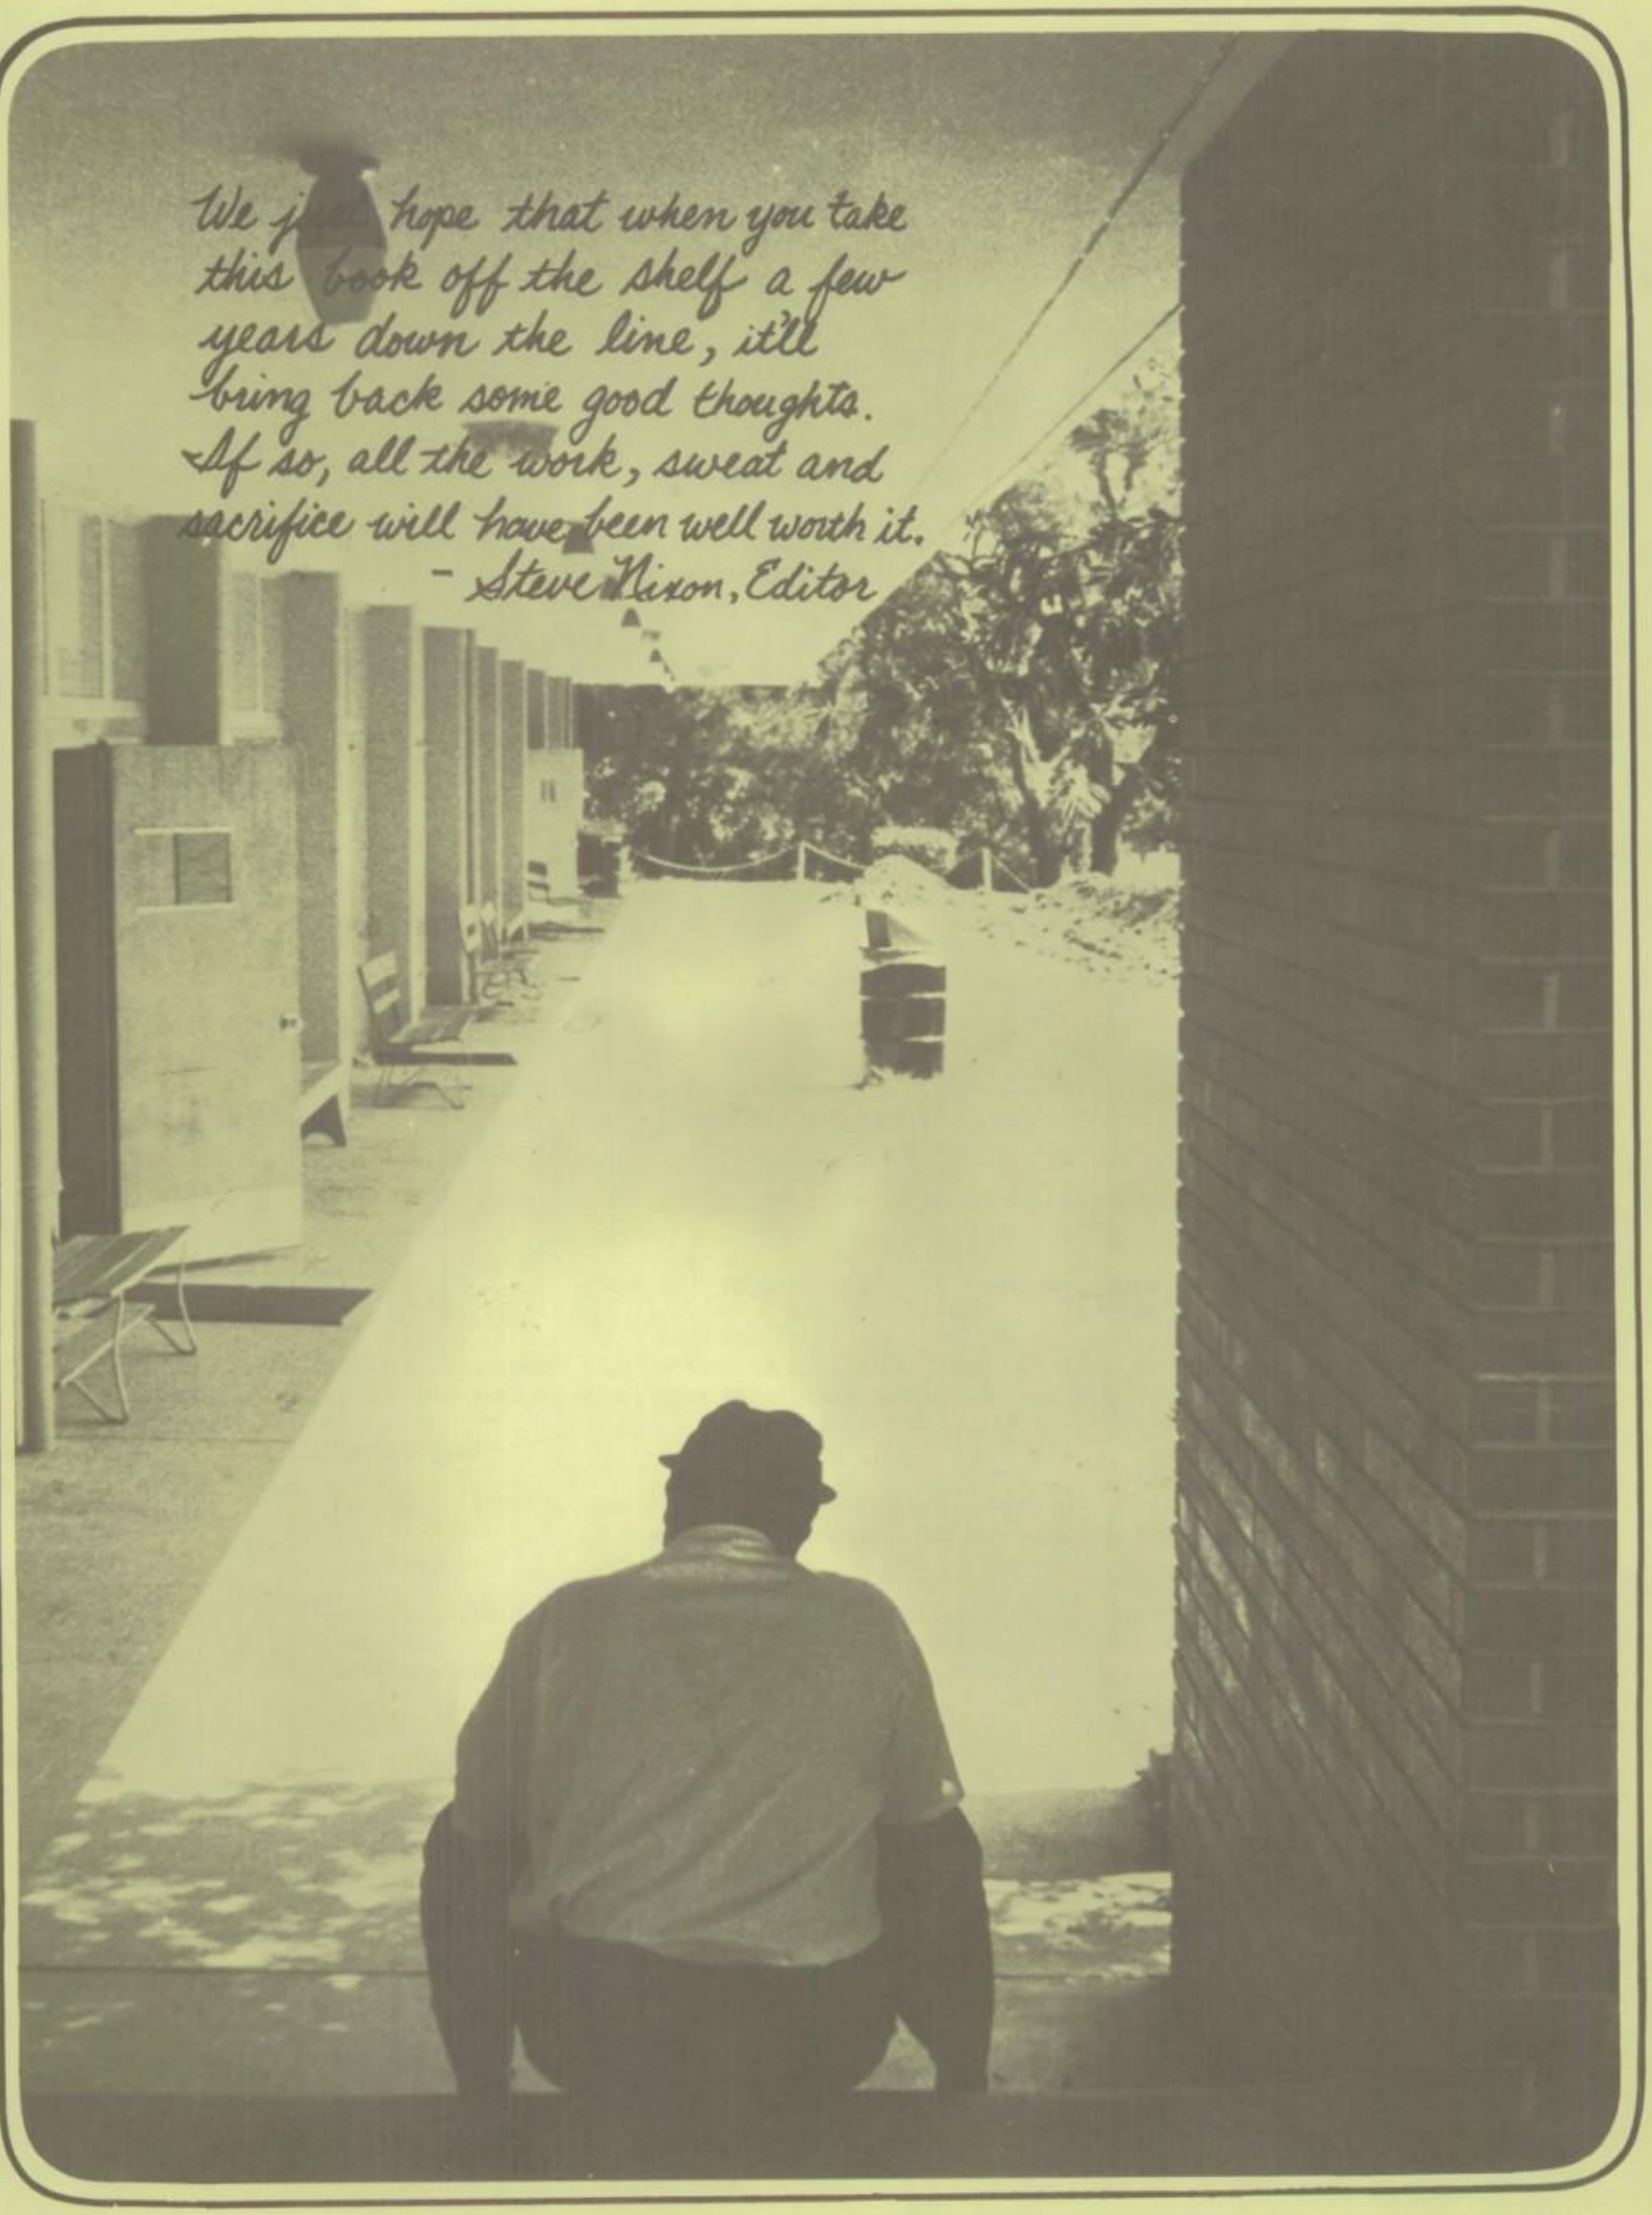
Big Red Pride is when you go to school at 8:00 a.m. and end up leaving at 7:30 p.m. with the feeling that Jesuit isn't just a school, but a way of life. Damn, we're #1.

John DeRosa

Big Red Pride is a cheering section full of insane Jesuit students; it is the athlete who does not quit; it is the student who works hard in order to do his best; it is the teacher or administrator who spends that extra time — it is an over-all commitment to keep Jesuit what it is . . . the best!

Steve "Halve" Halvorson





We just hope that when you take
this book off the shelf a few
years down the line, it'll
bring back some good thoughts.
If so, all the work, sweat and
sacrifice will have been well worth it.
